Two high schools instead of one—that's what is happening at TTHS. Back in 1898, when the school was organized, Thornton had only one building and 108 students. Now there are 3,734 teen-agers and 198 faculty crowded into the Thornton campus.

The original three-story building in the center was extended north, south, east, and up. Then it jumped the street to the north and became the new gym and the field house. A big new classroom wing is now being constructed on the west and a shop building across the street to the east. To top it all off, there is a second high school under way to serve students on the east side of the district.

I love Chris,

History discussions, Purple X problems, and Senior Biology are part of the Thornton tradition. Miss Comegys had a knack of stimulating idle tongue-wagging into thoughtful consideration of current issues. The new Purple X sponsor, Mr. Harms, needed help from his seasoned student committee and got it. In Senior Biology, students found a course as individual as Mr. A. C. Brookley, the instructor. From a wise counselor many a senior found the answers he sought on life's problems.

We met the new superintendent

We found Dr. Logsdon a very human and likable person. We soon learned that he meant business, that he expected all Thorntonites to live up to their obligations once they had been undertaken.

When we met him in the corridors, he was friendly and he was genuinely interested in us. We had a feeling that here was someone who knew where we were going and how to get us there. We found that we could discuss our problems with him and that we could expect a ready and a decisive answer.

and some of the new teachers.

With thirty-two new teachers on the Thornton faculty this year, there were a lot to learn to know. Some of the new ones were replacements for teachers who had married, taken other jobs, or retired. But twenty of them were faculty additions, indicating a growing staff to take care of the increasing enrollment at Thornton.

Miss Childs was not really new to the TTHS faculty, but she had been doing all her teaching in the junior college. This year she succeeded Mr. O. F. Umbaugh as head of the English department. Mr. Purden, a Thornton graduate, became the new varsity basketball coach to succeed Mr. Tom Nisbet, who moved to New Trier. Mr. Hanrahan took over management of KIP, Thornton's student council. He found that getting acquainted with a new school plus taking over sponsorship of a major organization was a rather large order, especially with Homecoming in October. He was glad for experienced help among his officers and board.

We got used to
coming early and late

Spring and fall, when the weather was nice, we didn't mind late classes, but on snowy, blustery days, we envied those who could leave early.

On the shift system, new this year, juniors and seniors came at 8:00 and stayed until 1:00 or 3:00 according to their schedules. Freshmen and sophomores came at 10:00, or maybe not until 12:00, and had classes until 5:00. Faculty had shifts also. From 12:00 to 1:00, everyone was there. You knew it, too, for then the corridors were jam-packed.

like ducks

Radio Speech—Ron Lewis runs the recorder as Phil Balick entertains Miss Sexauer's class.

English is basic to all courses.

Kon tiki—David Ducat, Paul Talage, Gary Robertson, and Marvin Keeling put together a model of the famous raft. (Miss Peirce)

There's more to English than writing themes or studying literature. Ever heard a tape-recording of your own voice? It may sound strange to you, a bit disconcerting maybe, but the voice is recognizable to everyone else.

Stories come to life when you construct models, like the one of Kon-tiki raft, brought back from Denmark by Miss Peirce. It's easy to read or explain as you sit at your desk, but wait until you stand in front of the class!

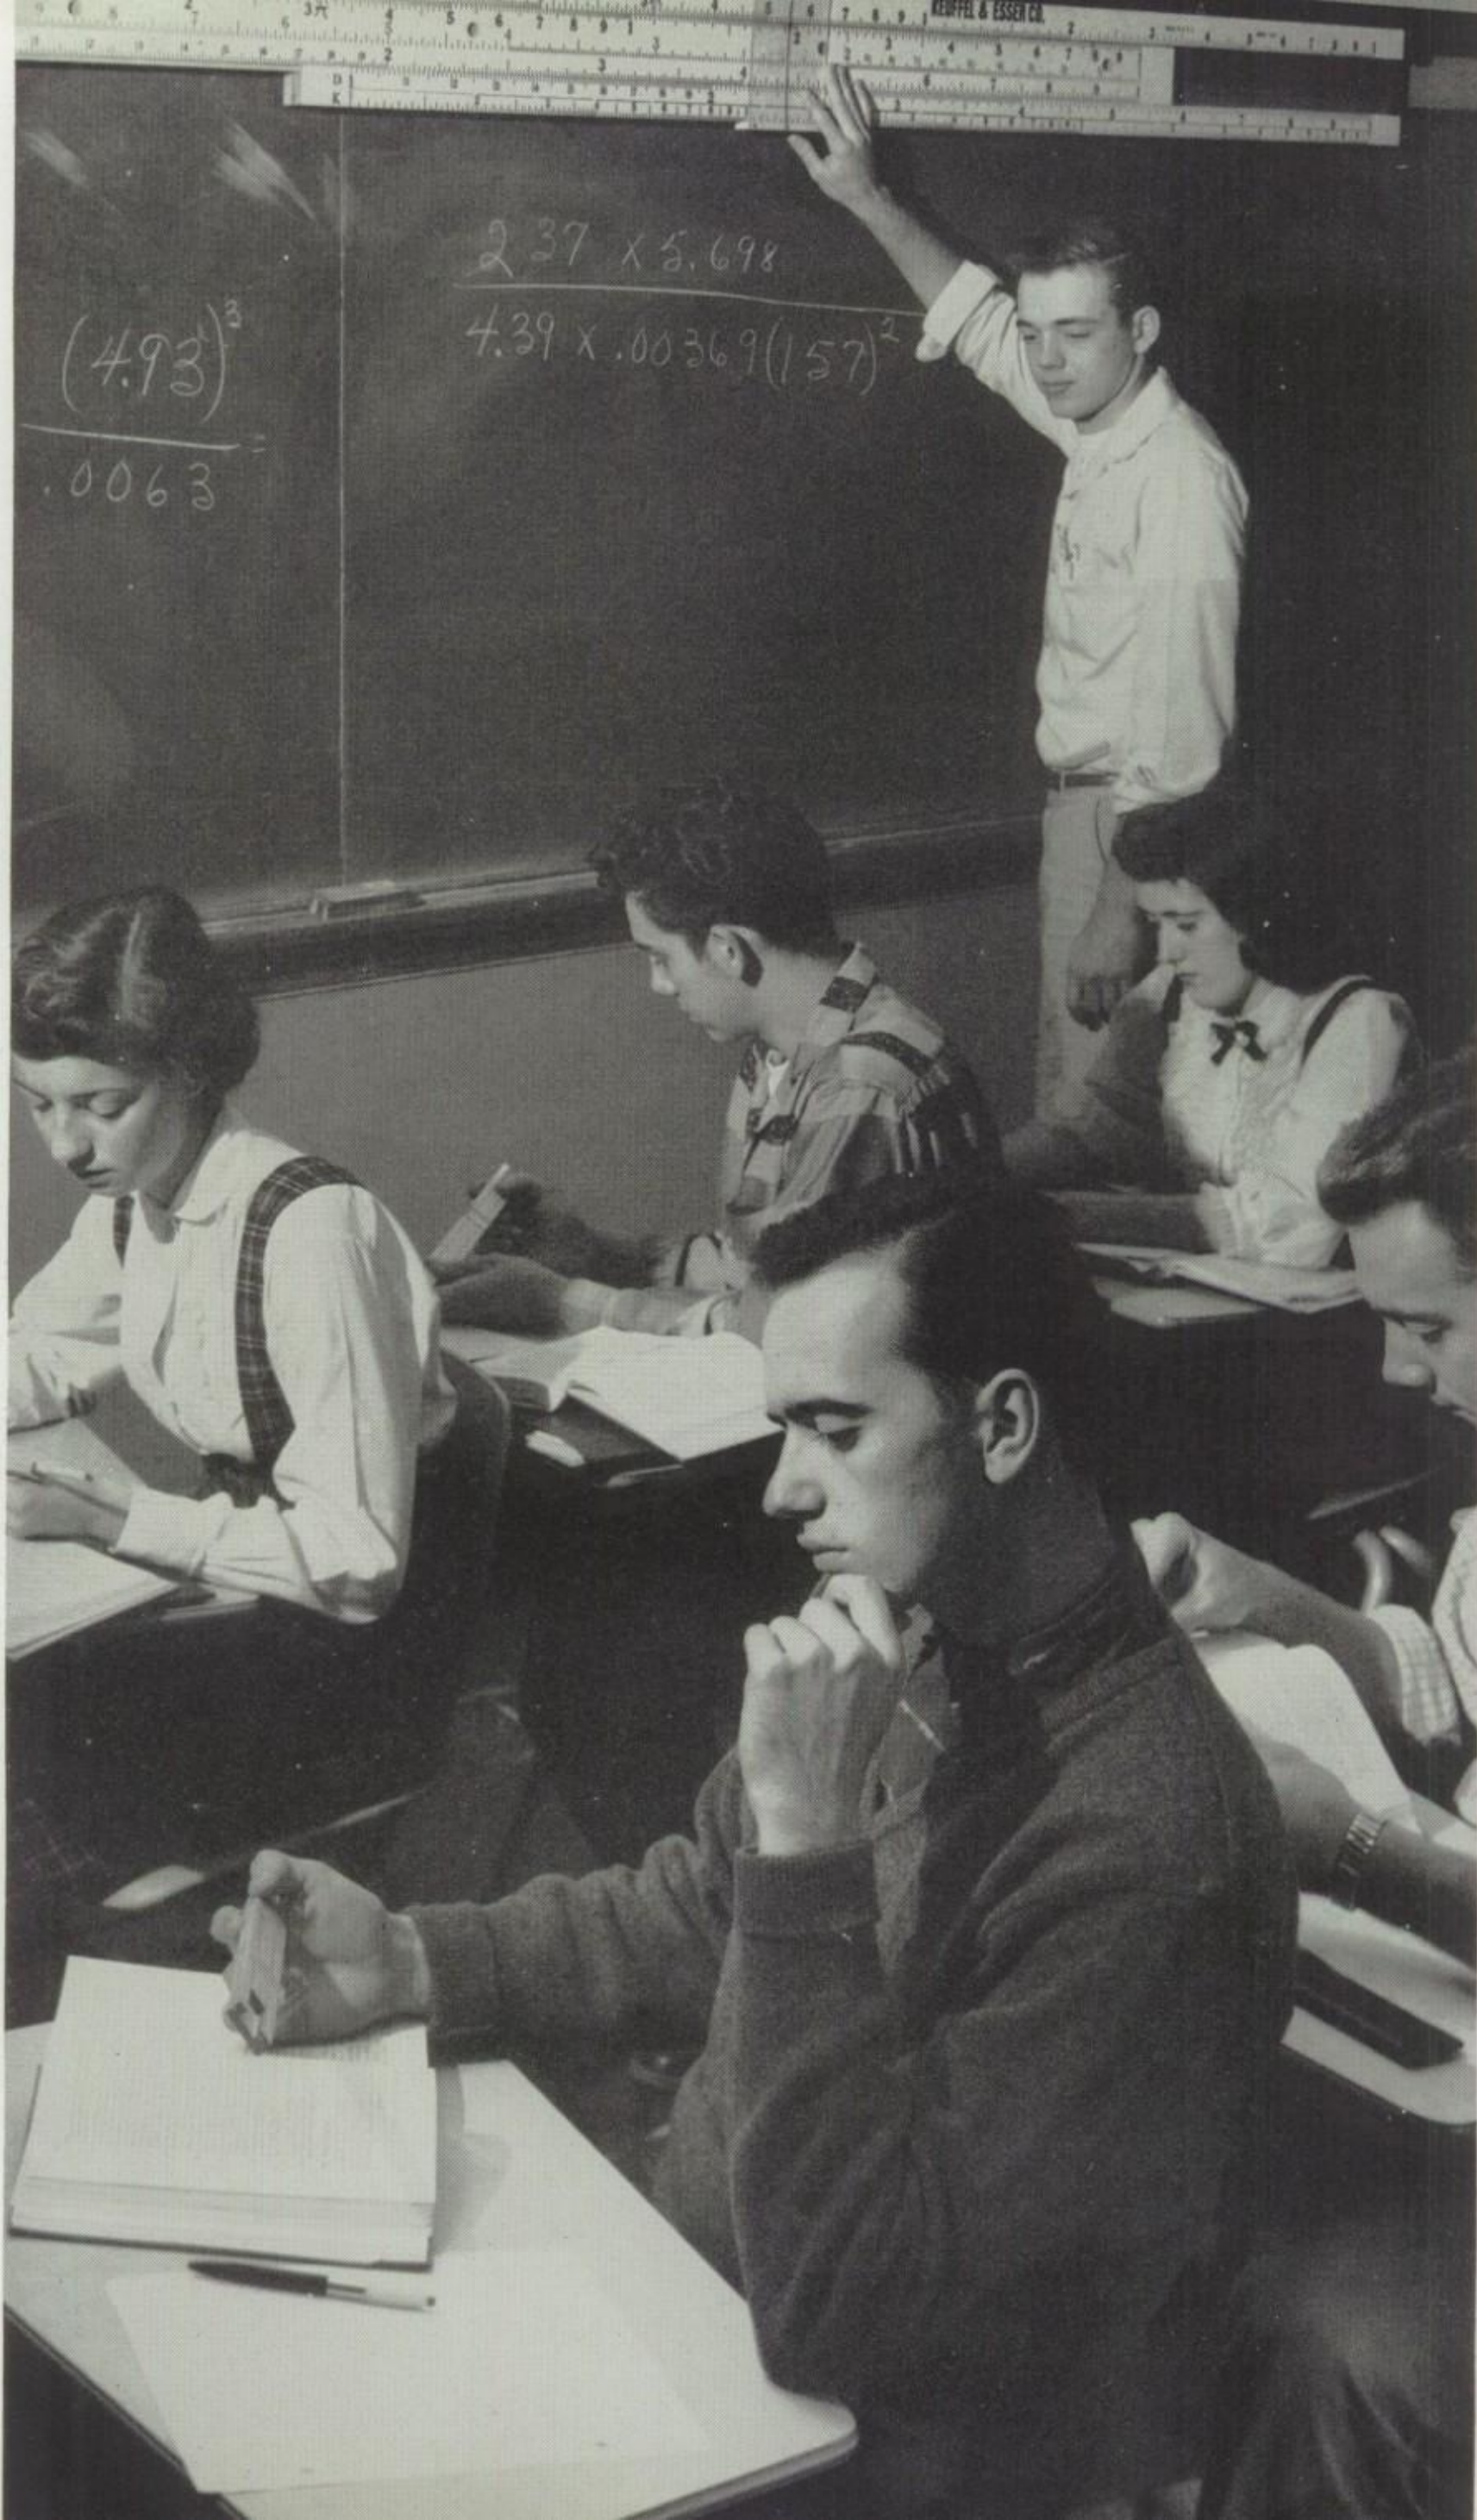

Until you have worked on the newspaper or year-book staff, you can't appreciate what a tremendous amount of effort publications represent, nor how important it is to be accurate, as well as interesting. Mechanics of writing take on new meaning.

This is the way—Dennis Gawlik explains in Miss Craig's English I class.

Distribution Day means "Come and get 'em" for home room newspaper representatives and their groups.

Mathematics hits a new high.

As the space age dawns upon the world, mathematics takes on a tremendous importance. Students who can comprehend mathematical principles and can solve complicated problems are going to be more and more in demand. Since ability to reason is all-important, Thorntonites get plenty of practice in just that in their math classes.

Not everyone can be a mathematical genius, nor could the world use only geniuses—sort of a “too many chiefs and not enough Indians” business. Math in some form is for everyone. Until he has tried to explore the possibilities, how does anyone know how much he is capable of doing? Math classes at Thornton are good places to begin that exploring.

You Can't Miss—Ray Lenart demonstrates to Barbara Anderson, Dudley Hopkins, and Bob Lattz one of the properties of an ellipse—Mrs. Harms's class.

Board Problems—Mr. Stephens helps Janet Fielding in Algebra I.

A Tough One—Marion van Der Aa uses the big slide rule while the class follows the problem—Math IV, Miss Seebach.

This Is It—Jim Naylor shows where, in Mr. Satterthwaite's class.

Are You Sure?—The class questions Carol Wright's statement in European history—Miss Barmore's class.

Social Studies covers the world.

Geography—Bill DeVries needs the globe to illustrate his point. Mr. Petty stands by.

If you could take the whole wide world as your subject, explore human behavior—past, present, and future—and then discuss your findings and draw your conclusions, you would have some sort of idea of what Social Studies is all about.

Courses in the department cover such widely varied but neatly related studies as psychology, geography, economics, commercial law, sociology, and history. It is in the history courses that students learn to analyze the past, judge the present, and estimate the future. With the whole world in transition, as well as Thornton, that practice may come in very handy for TTHS graduates.

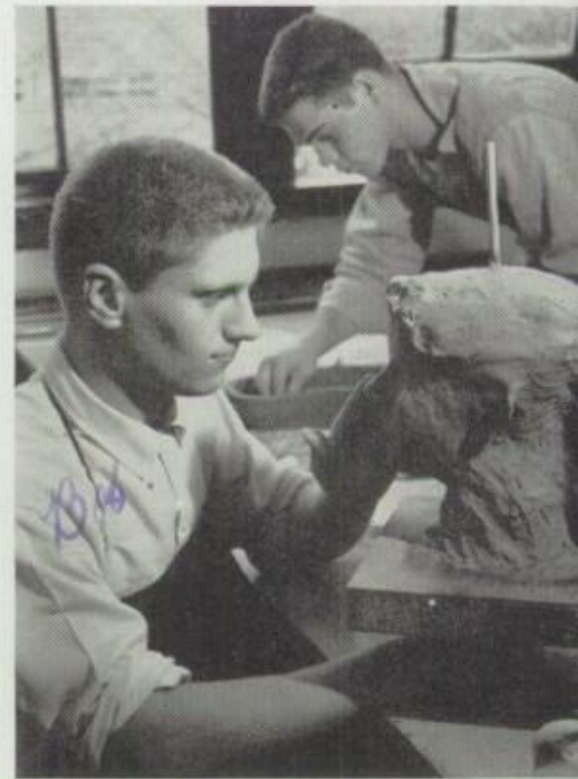

Movies—Room 113 makes a good place for the showing of films now that the Little Theatre is a study hall.

Art courses bring out talent.

Drawing and Painting—Lillian Gorman poses for Sonia De Marche, Charmaine Fredette, and Stan Hunter, in Mr. Aseltine's art class.

Ceramics—Bob Havice and Don DeBoer work with clay.

Art courses offer all sorts of opportunity for self-expression. Maybe you are the model, maybe the painter. Maybe you create jewelry for friends or yourself. Maybe a pony-tailed blonde appeals to you as a good subject for sculpture. Or perhaps those grotesque masks and terrific color combinations are the thing. Charcoal smudges won't bother, either, when you are creating a picture.

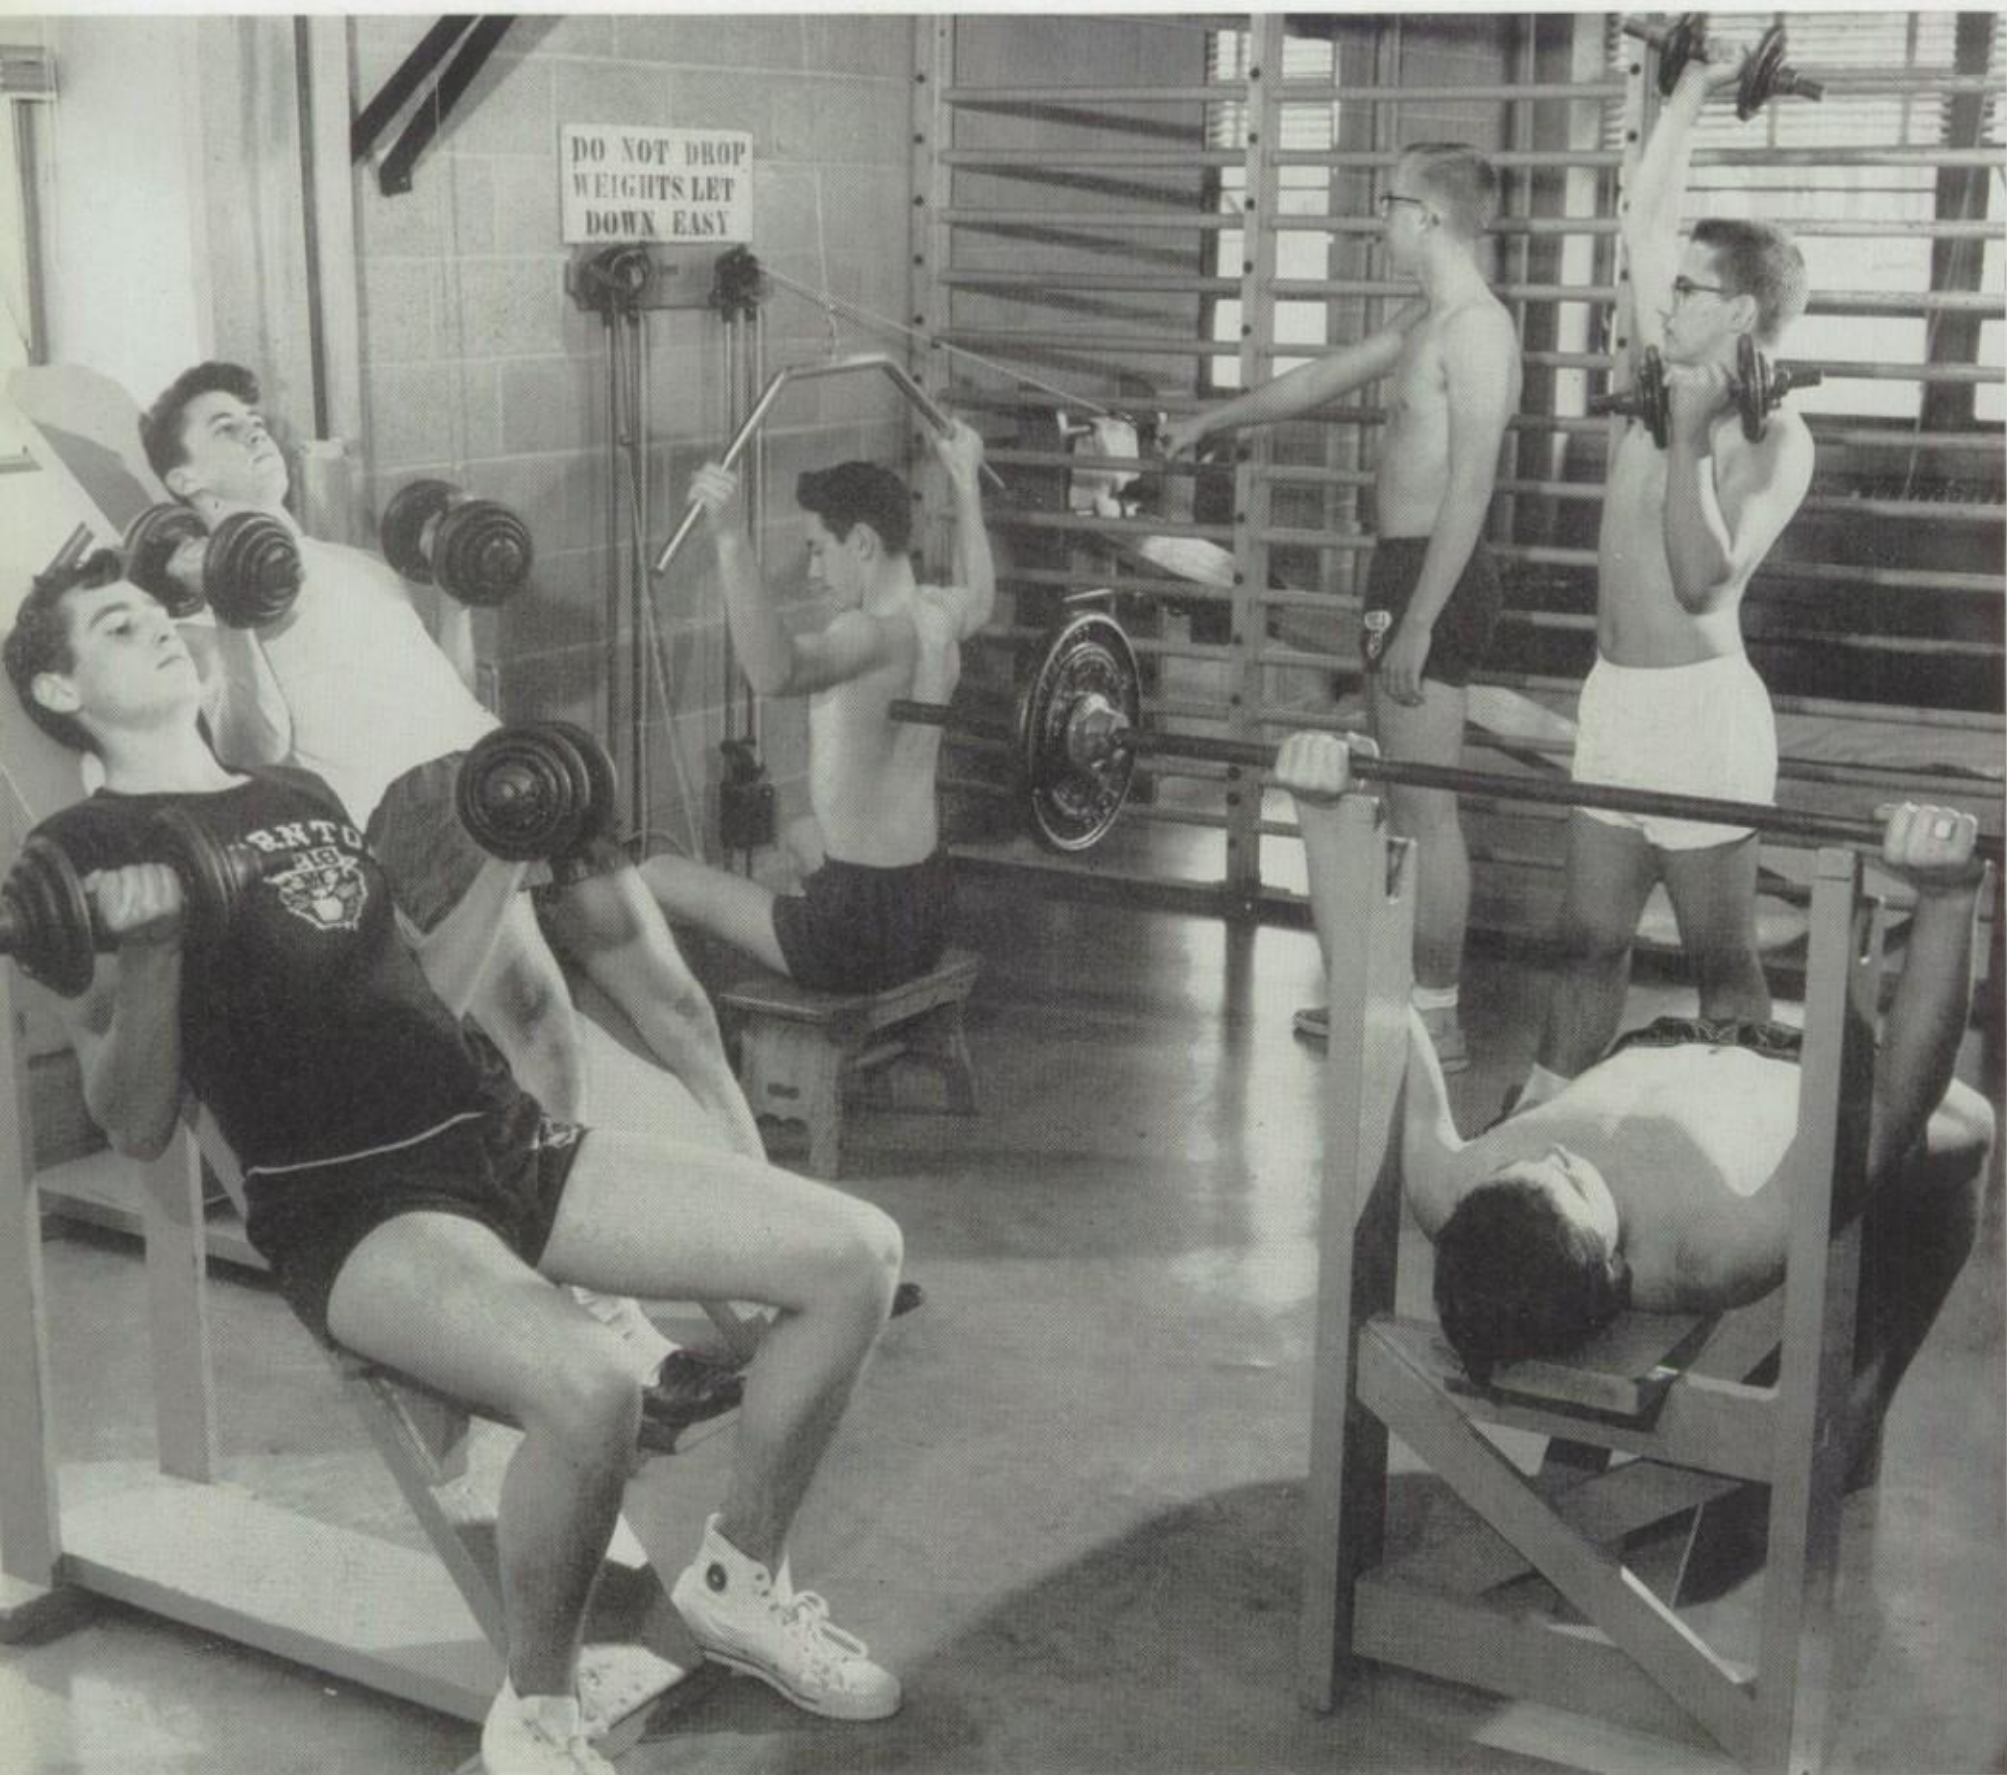

Whether you make posters to advertise TTHS activities or displays for civic enterprises like Fire Prevention Week, you can be of service.

Jewelry—Diane Thornton, Wanda Allison, and Doug Carmichael work at the kiln. Miss Thiel's class.

Fire Prevention display—**Sitting:** Beverly Houchens, Audrey Kelly. **Standing:** Jackie Causgrove, Natalia Worona, Elinor Krauter, Bob Farr, Margaret Parks, Jerry Lannem, Raynette Wieck, Clarence Williams.

Weight-lifting, or how to develop strong muscles, but not in one easy lesson. Boys are in Mr. Clark's class.

There's new emphasis, this year, on gymnastics at TTHS. More and more schools are forming teams of gymnasts for interscholastic competition. So, Thornton is keeping up with the trend.

Precision tumbling on the mats, timing and coordination on the trampoline, plus muscle development on such equipment as parallel bars and rings are the first step in putting together a team with enough skill for outside competition. In the meantime other phases of the health program continue—first aid and individual sports, for instance.

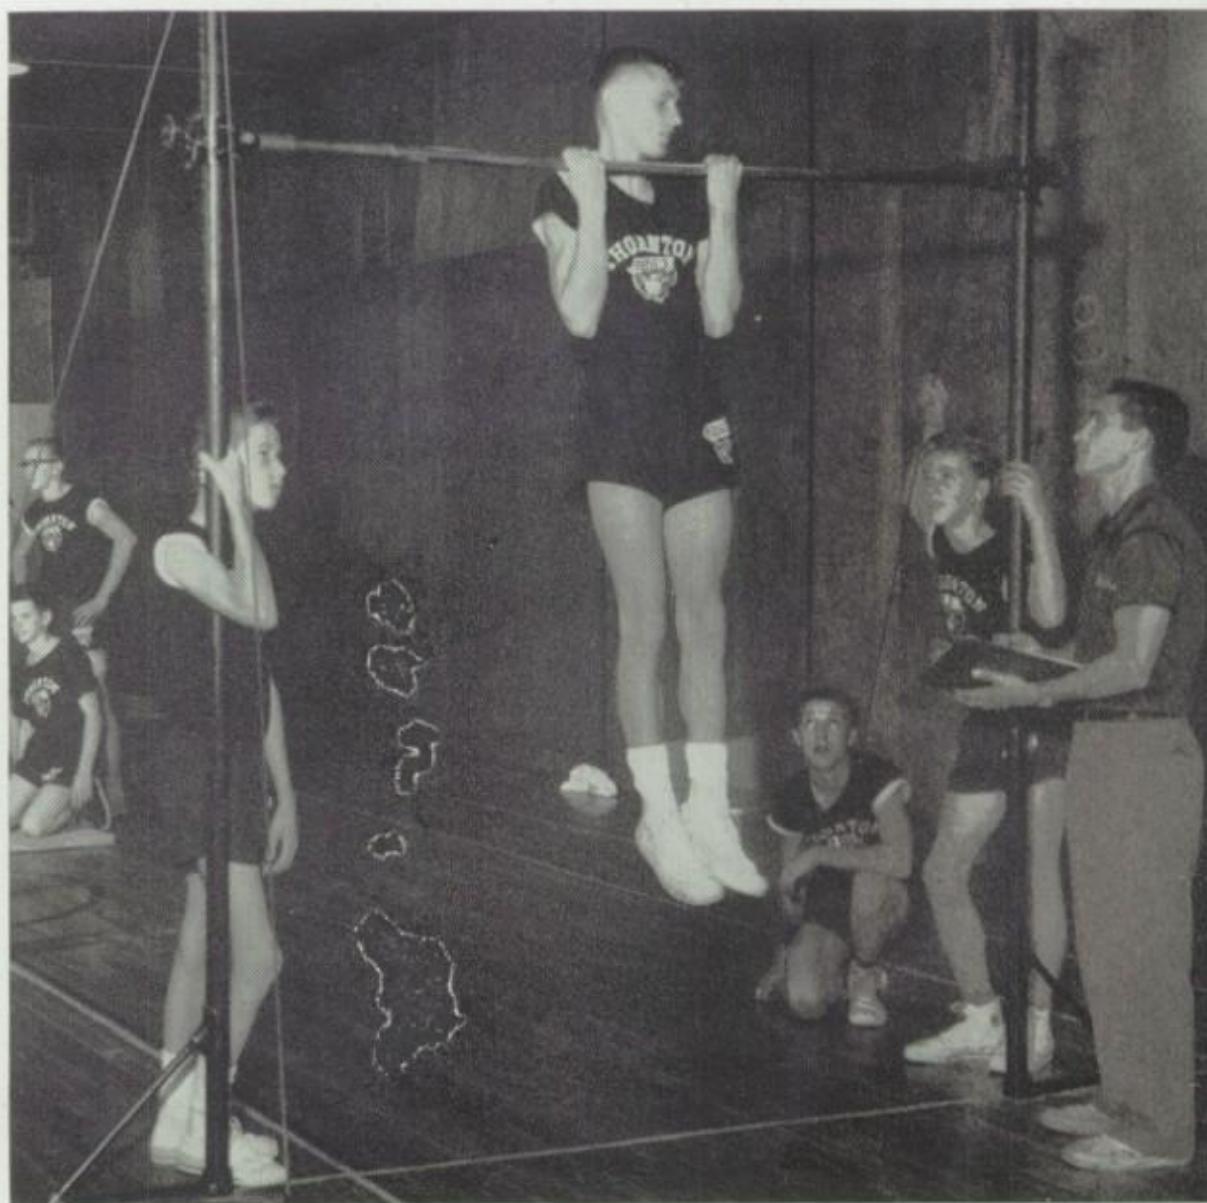

First Aid—Jerry Baer and Robert Lucas practice artificial respiration on Louis Kala. (Mr. Carlson)

Boys follow health program.

Individual Sports—Ken Cherry sets the golf tee for Chuck Kaiser.

Gymnastics—Charles Holtz chins himself as Bob Bates, Peter Beno, Frank Carlson, and Mr. Bedard watch.

Girls learn coordination.

First Aid—Beth McMillan bandages Carol Schneider's finger. Carolyn Livesay and Margie Thompson model other bandages.

Outdoor sports and indoor, on the gym floor and in the pool; what to do in case of an accident, be it big or little; dancing and formal exercise—all in the day's work in the girls gym classes.

It takes a good eye to aim that arrow so it hits the bull's eye—or even the target. A smashing serve on the tennis court isn't easy to come by. And swimming form means more than the body beautiful! It means proper breathing and rhythm, plus timing and coordination. Cut a finger or break an arm? Knowledge of first aid might save a life.

Archery—Miss Gray corrects Loretta Kucharski's hold.

Swimming—With Mrs. Wilkerson's instructions, Carol Duckworth demonstrates proper breathing for the front crawl.

He has given me a lesson in "how to grip" this year. Miss Sutton

Senior Sports—Miss Sutton shows Judy Anderson and Jelete Norden how to begin a tennis serve.

Biology—In theory and in practice—Dave Cordes, Marsha Wigg, Dorothy Dausman.

Young Scientists are eager . . .

Biology for sophomores and general science for freshmen get underclassmen started off properly for more advanced scientific studies later. Practically every subject that affects man's life is touched upon in general science. In sophomore biology, students specialize. They study life, from the one-celled amoeba, through plant and animal kingdoms, to that most complex creation—man.

Senior biologists investigate the earth, its components and inhabitants, and man, his ancestors and physical make-up.

General Science—Steve Twining explains disease-causing insects in one of Mr. Opperman's freshman classes.

Biology—Leaf study—Paul Jacobs, Milton Morley, Bonnie Willing.

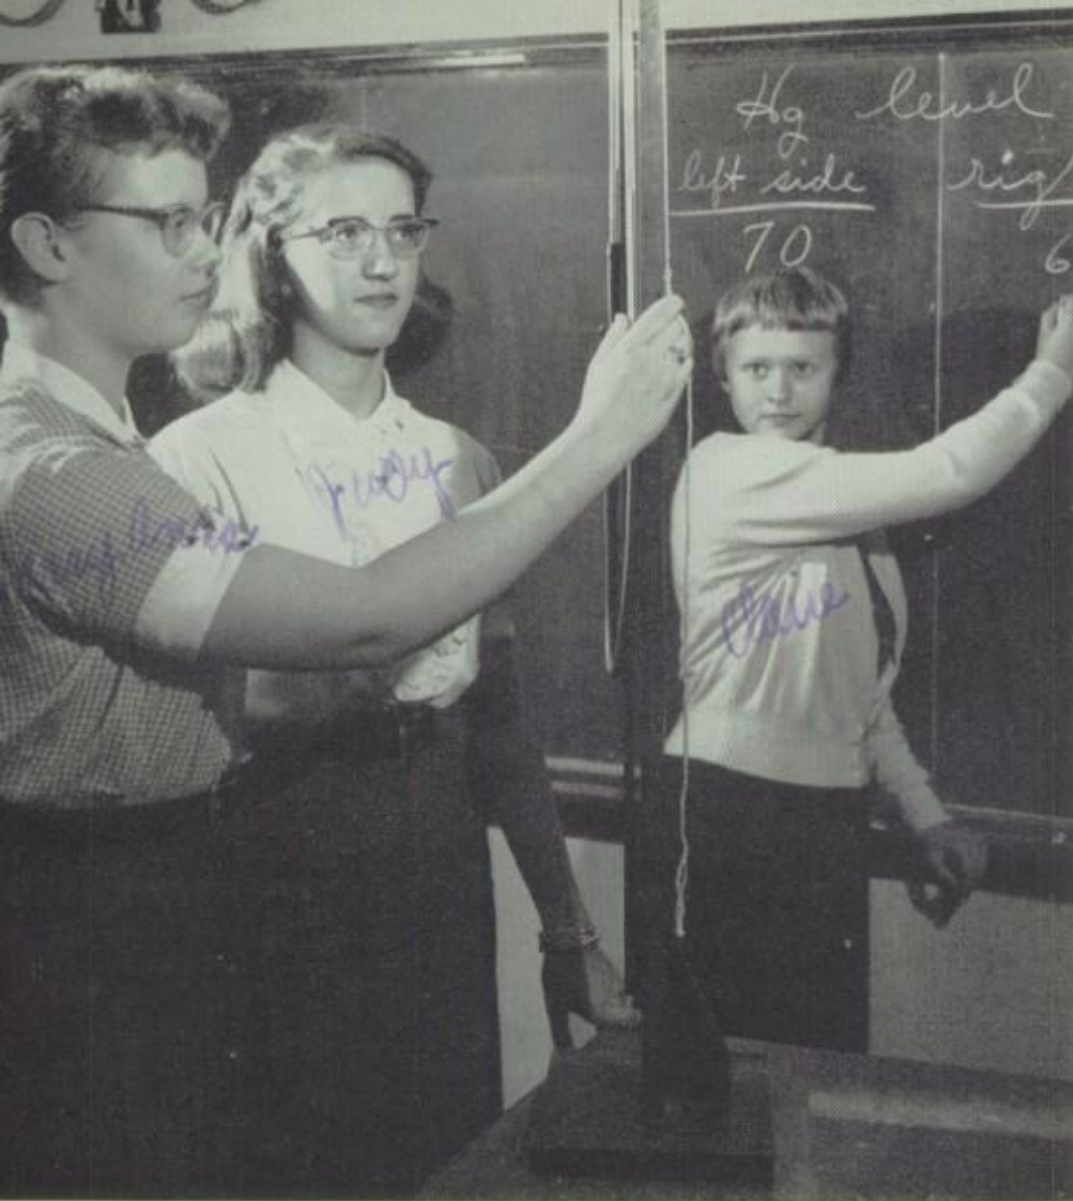

. . . they prepare for the space age.

Chemistry and physics are for the more advanced high school scientists. With the stepped up interest in science that came with the sputniks, juniors and seniors are finding a real challenge confronting them.

The chemistry of rocket fuel, what makes a satellite go into orbit and what keeps it there, what nuclear fission means and how atomic energy can be used for peaceful purposes—these are a few of the problems ahead of them. Since some students are more scientific minded than others, special units are designed to encourage those who can comprehend advanced applications of chemistry and physics. The moon is their goal.

Physics—Studying radio activity with Geiger counter and Wilson cloud chamber—Wayne Flowers, Mary Ann Jennings, Ron Williams, Valeria Reimers, Robert Ripperger.

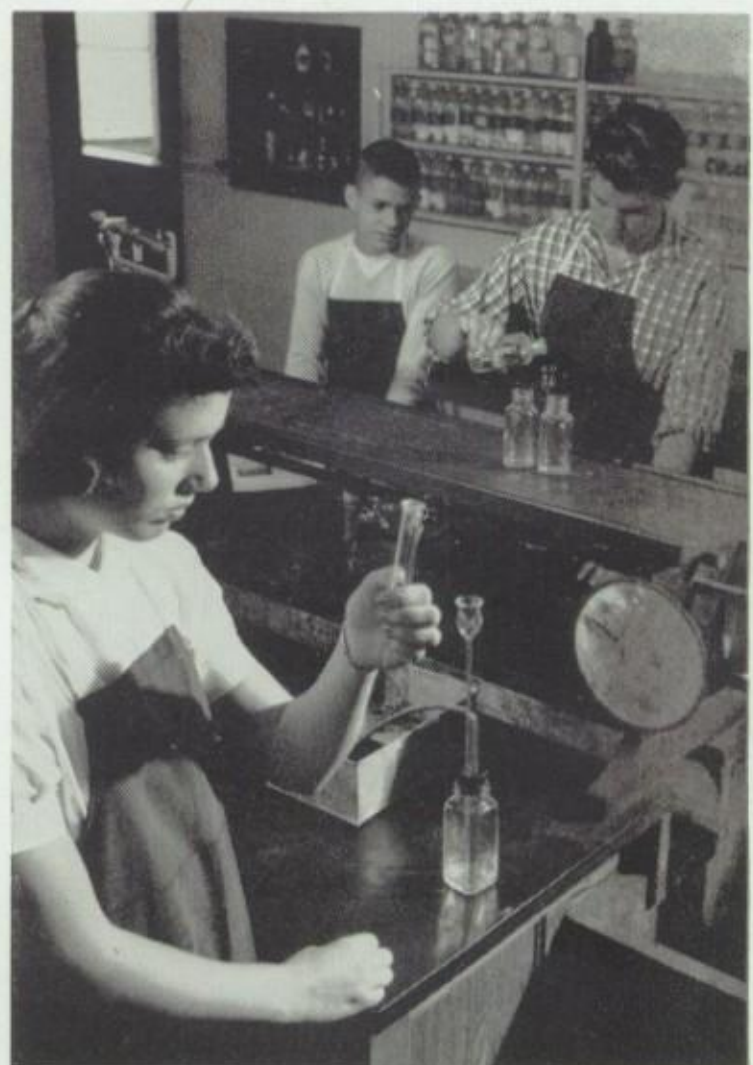

Physics—Mary Anna Adams, Judy Ahlberg, and Claire Olson study Boyle's law apparatus set up in the lab.

Dear Christ,
 Loads of luck
 to a sweet gal.
 I hope you
 graduate in
 2 years.

Loads of luck,
 Elizabeth
 Delmon

Chemistry—Margaret Erickson and Ralph Cunningham check their manuals as Jerry Chicoine makes hydrogen. (Mr. Hoffman)

Chemistry—Members of Mr. Lercher's class study laboratory techniques.

Miss Brown

Typing—Miss Brown holds her stop watch for a timed test, in a class of juniors.

Bookkeeping—Bob Butterfield and Marlene Duck check with Mr. Anderson.

The world needs secretaries . . .

*Shorthand
Palmist*

Shorthand—When Miss Wray dictates, the class needs to concentrate.

Since most of the details of the world's business are handled by its office workers, there is a constant demand for both men and women in secretarial and bookkeeping positions.

With dictation, speed tests, and practice, practice, practice in Thornton's business classes, future business workers attain the skills they need. Bookkeeping problems, sales problems, arithmetic problems are to be solved. Modern business machines, electrical and otherwise, such as secretaries might encounter, are there to be practiced on.

. . . and understanding of languages.

French notebooks—Solange Regnier,
Shirley Franklin, Ed Barus. (Miss Musson)

Spanish figurines, unpacked for an exhibit
—Carole Kerr, Linda Zimmer, Leon Red-
mon, Dave Nelson, Dave Stockman. (Mr.
Barwis)

When you can read what people write in their own language, you can come nearer to understanding the people themselves. That's one reason why foreign languages are important.

With air travel a commonplace thing and space travel coming in the predictable future, all parts of the world are so close that understanding is a must. That's another reason for language study.

Many job requirements these days include one, sometimes two foreign languages, and that's still more reason for language study.

Thornton's curriculum offers three—French, German, Spanish—plus the basic language, Latin. And if you think Latin is dead, check the picture.

Schnitzelbank song—Jim Linse and Donna Kromer in Mr. Koester's class.

Latin today—Jerry Kernagis, Donna Kaur, Bonnie Perlman. (Miss Henderson)

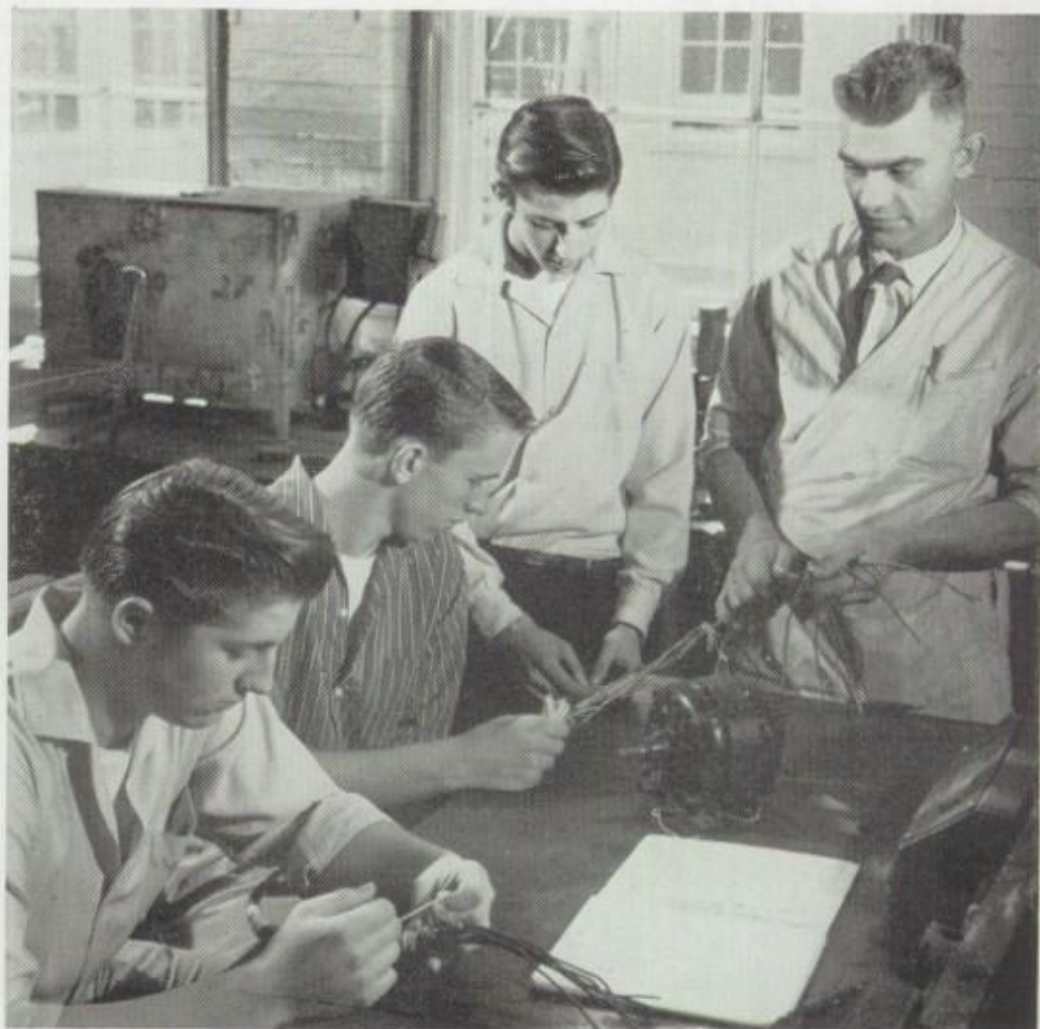

Industrial skills are vital.

Death of a Crosley(Auto Shop)—Dave Bucholz, Tom Rossman work over a decrepit old car.

Electric Shop—Chuck Diddia, Gene Wolfe, Jim Nunley get instruction from Mr. Siville on winding a motor.

Big Machine Shop—John Clark (foreground), Marvin Smit, Mr. Lemmon (instructor), Gerard Iserloth, Carl Steel, Chuck Casler.

Scientists may think up the space ships, but somebody has to build them and all their parts, engines, motors, instruments. Somewhere the men who do all that must get their training, like that offered in the shop classes at Thornton.

Quarters are cramped now, but the new building, already started across the street, will give room for expansion. Plans call for an auto shop, two wood shops, two electric shops, and a graphic arts shop, new to Thornton. Drawings also include a department office, conference rooms, classrooms for related subjects, and an audio-visual room.

Orchestra practice—Seated: Ruth Dilts, John Gurganus. Standing: Jerry McMillan, George Waters. (Miss Chambers)

Everyone needs music . . .

In the spring it's "Vive l'Amour" that floats across from the chorus room and in through the open windows of English classrooms. Last February we wondered whether a band group, practicing in the auditorium, would ever get those saints out of the way as they worked on "When the Saints Come Marching In."

It's Christmas in October when the first carols are heard, but doing a thing well takes time. On a bright fall day, if you look out the window, you envy the marching band their practice on the field.

Plotting band maneuvers—Mr. Hopkins,
Valerie Wolf, Gene Roeder.

Choir robes—Claire Olson, Jackie Kroll,
Judy Sachse. (Miss Thompson)

. . . and girls need Homemaking.

Cutting patterns—Pat Sudkamp and Peggy Strout. Clara Stanton, pressing. (Miss Ford)

Clothing class—Frances Reilly, Karen Shuff, pinning patterns. Nancy Froschauer, Carole Francis, at the machines. Miss Gantzert helping Sandy Nelson fit a pattern on Sharon Sullivan.

Home Ec breakfast—At the table: Sharon Goodar, Judy Kettering, Cheryl Manderano. Reflected in the mirror: Sandra Osborn, Josephine Manus, Wendella Muldowney.

Can you fry bacon without burning it? have the pancakes done to a turn and served piping hot? A breakfast unit in foods class can mean just that. Use and care of modern home appliances like mixers, freezers, stoves, and refrigerators is part of the course, too.

Clothing classes progress from simple garments to complicated ones and eventually to the making of a whole wardrobe. A short course in grooming stresses what to wear, how to wear it, and when. Choice of colors and styles, care of clothes, and the art of budget-stretching are course units. How to get the right things for one's size, shape, and pocketbook is everyone's concern.

We got acquainted at the Stand-Up.

Party-goers listen to the Stand-Up queen, Carol Strobo, address her subjects.

First big party of the year is the Freshman Stand-Up, sponsored by the Girls Club, with all of the new girls at Thornton as guests.

Traditional opening ceremony is the hand shake line that is short to begin with but soon extends all the way around the gym. Miss Wilson, dean of girls, and the officers of the club stand at the head of the line.

Later in the program the Stand-Up queen (always the Girls Club president) is led to the throne and crowned with great ceremony. With her pages she listens to the speeches of the class representatives and watches the hilarious stunts, which are traditionally followed by the Senior style show. What the well-dressed Thorntonite will wear at school, for sports, and at parties, they model.

Refreshments were especially welcome this year for the party didn't begin until five o'clock.

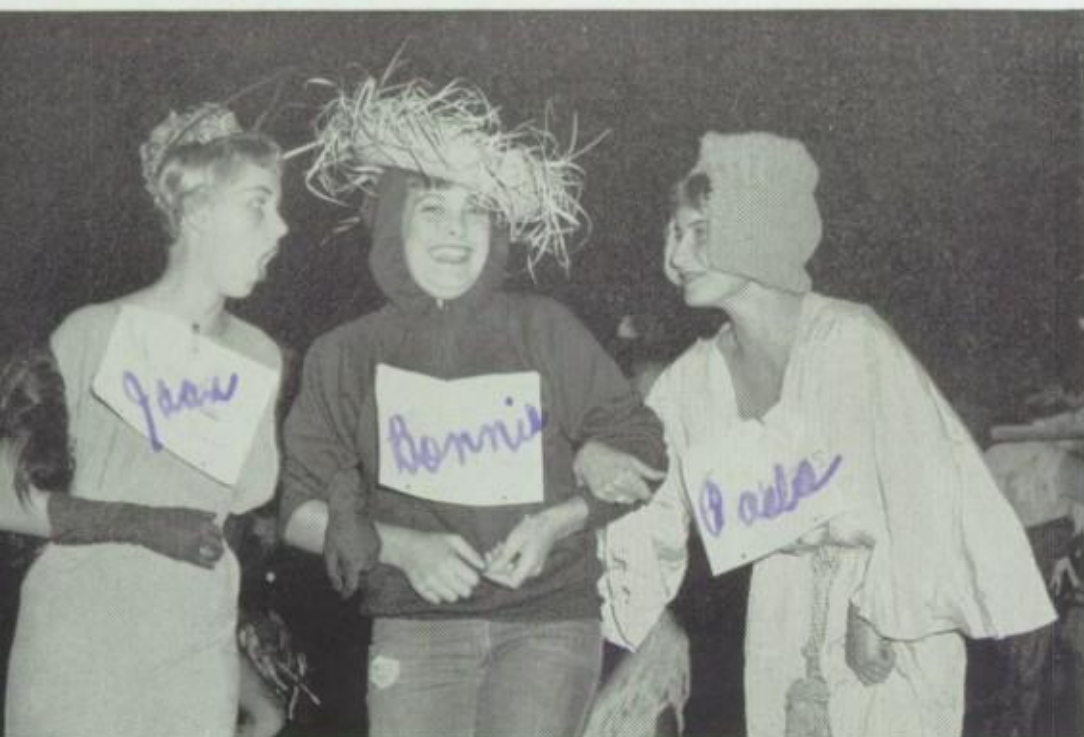

Ann Garlock models pajamas to be worn at the ever-popular slumber party.

Stand-Up Queen and her pages—Marlyn Pagliero, Carol Strobo (queen), Merikay Wells.

Singers—Jaan Walther, Bonnie Willing, Paula Powers.

Soph stunt—Diane Rhodes on the floor; Gail Allen and Dorothy Dausman, holding; Carol Pajak, Judy Gillies, Kay Seagle, watching the fun.

Sophomore float, a winner in its class.

We were old-timers by

The weather man was kind for the Homecoming parade—first in several years. Floats, decorated cars, and walking delegations competed for prizes. Sophomores with their Alice-in-Wonderland float, GAA car with an elephant, and Latin Club slaves pulling a chariot were winners in their class.

A pep assembly on Buda Field topping off the parade and a 54-0 win over Kankakee made Friday, November 1, memorable. The Free Fling afterwards in the gym gave everyone a chance to celebrate.

Saturday night's dress-up dance, "Fantasia", climaxed the whole joyous week-end when the king and queen, Ed Radtke and Sandy Smith, were named, following presentation of the court. Barbara Boudreau and Paul Golaszewski, last year's royalty, crowned the new king and queen; Barbara Berner did a ballet number in their honor.

GAA car—Peggy Rotkvic, Kay Lang, Margie Beyer put on the finishing touches.

Homecoming Court—Row 1: Judy Duchworth, Carol Strobo, Ed Radtke (king), Sandy Smith (queen), Judy Wetmore, Edwina Walker. **Row 2:** Ken Drazba, Phil Balick, Don Pebworth, Dave Blair.

Homecoming.

At the game—Bob Havice, Wildcat; Sandy Smith, cheerleader; Dennis Wyma, usher.

The parade—Jim Bruggeman pushes the buggy with its cigar-smoking baby, Ray Smock, waving gaily.

The play "Noah" was amusing.

When "Noah" was picked for the annual Boys and Girls Club play, November 16, it represented quite a departure from the usual high school dramatics production. In timing it was well chosen, for it had the same feeling as parts of "The Green Pastures", then a recent TV spectacular.

Scenery and costumes that were more suggestive than realistic gave plenty of room for stage hands and cast to show their ingenuity. Animal costumes were particularly clever.

The shift schedule made practice time a problem, with the result that rehearsals had to come later in the day than usual. As often happens, some cast members had to find out the hard way that a job once undertaken must be carried to completion, but the crisis passed and the production was a success. Ticket sales assured a full house.

Noah and the animals—Tiger (Mary Schroeder), Bear (Jim Naylor), Noah (Mike Burr), Monkey (Gary Lundmark), Lion (Corinne Ankarlo), Cow, (Joanna Johnson).

Mama (June Cage) gives advice to **Ada** (Claire Olson), **Sella** (Charmaine Fredette), and **Norma** (Mary Christopher).

The Cast—Row 1: Jim Naylor (Bear), Marion Wood (Lamb), Barbara Turek (Wolf), Joyce Robinson (Elephant), Corinne Ankarlo (Lion), Mary Schroeder (Tiger). Row 2: Charmaine Fredette (Sella), Dennis Karwatka (Shem), Gary Lundmark (Monkey), Joanna Johnson (Cow), Mary Christopher (Norma). Row 3: Claire Olson (Ada), Bob Havice (Japhet), Forrest Tellis (Ham). Row 4: Mike Burr (Noah), June Cage (Mama), Robert Gadbois (Man with the Spear).

Norma (Mary Christopher) listens to Ham (Forrest Tellis) and Shem (Dennis Karwatka).

KIP dance—Bart Pettice, Skip Chisser, Terry Moore, Tom Larson.

We had our quota of dances.

"Symphony in Snow"—Dancers at the KIP midwinter dance.

Six-foot snowmen in the center of the dance floor at the KIP midwinter dance, January 25, had to carry out the illusion of "Symphony in Snow" for there was none outdoors. No rain, no snow, just winter! Four hundred couples enjoyed the dancing and the stage show high-lighted by the "Imps" (Calypso), the "Drifters" (singers), and the "Hoofers" (dancers).

It was the Girls Club turnabout dance, "Date with an Angel", on March 1, that created a lot of fun. For several days in advance girls started doing the book-carrying, door-opening routines usually assigned to boys. For the dance, it was the girls who called for the boys, held their coats, pinned on boutonnieres, and got refreshments.

"My Boy Flat-Top"—Edwina Walker, Jonalee Mollicone, Frances Hecim of the Hoofers at the Girls Club dance.

Two of the angels—Roger Carr, Irene Karas, come down to earth.

"A Date with an Angel"—Sandy Mohr and Pat Whitaker sing "I'm Not Afraid Anymore."

"O Mein Papa" was a gala affair both at dinner and the stage show afterwards.

We entertained parents . . .

At "Ye Olde Inn" Judy Olsen and her dad, Mr. R. A. Olsen, were host and hostess.

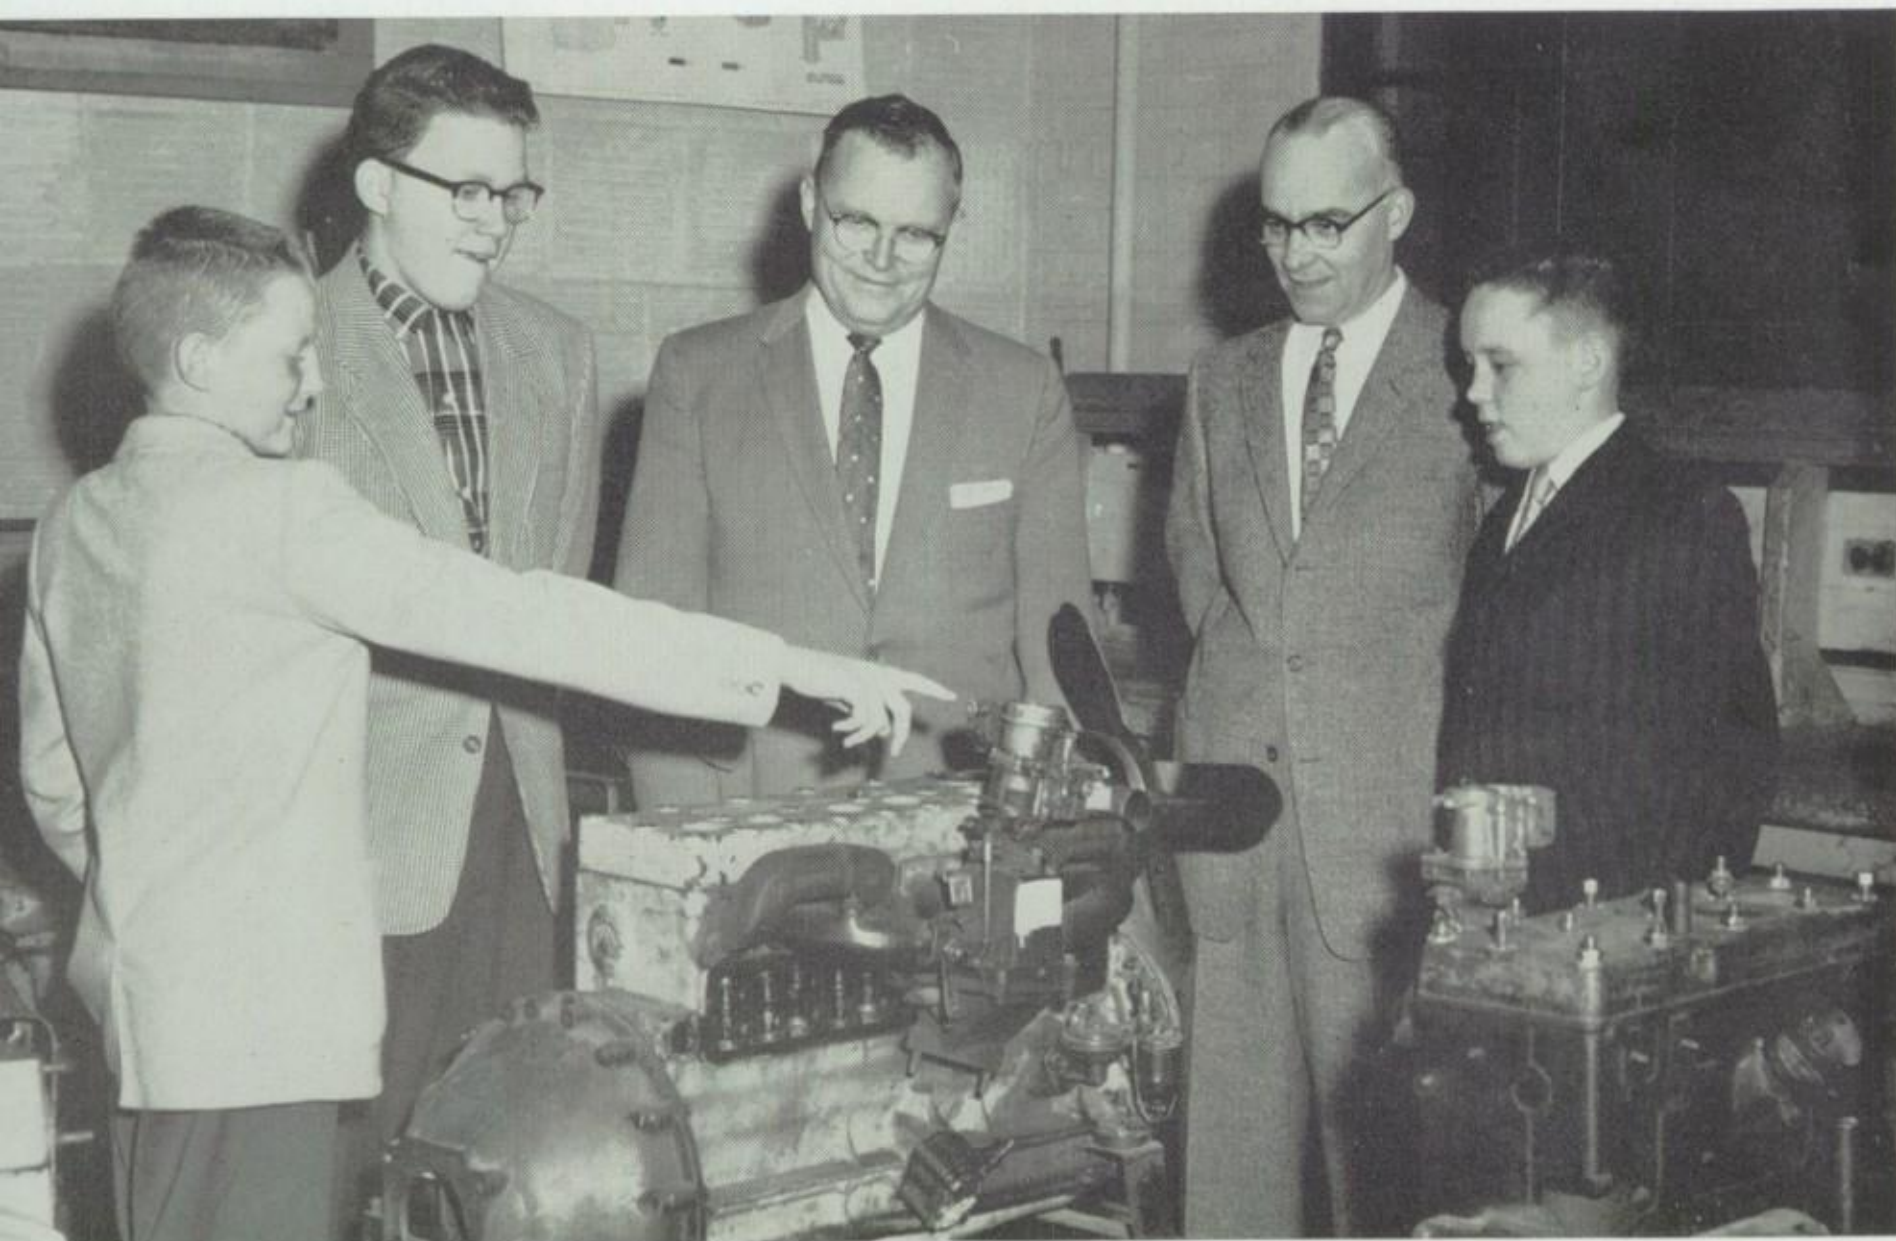

A German inn was background for the annual Dad-Daughter dinner of the Girls Club, November 23. Following dinner in the cafeteria, a variety show in the auditorium was MC'd by Judy Olsen and her dad, Mr. R. A. Olsen, as host and hostess of the inn. From acrobatics to group singing, acts followed the theme of the party, "O Mein Papa."

When the boys entertained their dads at the Father-Son Stag, sponsored by the Boys Club, on January 18, they planned quite a different type of program. A tour of the shops was followed by a travel film shown by Mr. Ted Bumiller. Pictures showed his jeep trip around the world. Refreshments were served, afterwards, in the cafeteria.

Girls Club, KIP, and Junior Red Cross are some of Thornton's best project promoters. An inventory of KIP's lost and found department would make parents rave to think of the carelessness of their boys and girls. Many articles of value are never claimed and are eventually given away.

Junior Red Cross sent Christmas stockings to hospitalized children. Candy and toys for them came from students in fifth period homerooms.

Keeping track of activity points earned by the Girls Club members interested in T-pins was made difficult by the new schedule. T-boxes, slotted for inserting activity slips, were distributed to homerooms and commissioners charged with picking up the slips at intervals and crediting them to the owners' accounts in the Girls Club office.

Other exhibits are to eat, like the turkey and trimmings in foods class. Here you can eat your fun and have it too.

Some honors are intangible and represent states of mind, such as the Loyalty Day pledge to Thornton, the Girls Club, and its founder. Others are rewards for work well done. Having your name engraved on Girls Club silver as a reward for exceptionally high scholarship is a much-desired honor but one that only a few attain.

A tea, a play, a pageant gave Thorntonites a chance to show what they could do.

Girls Club entertained faculty members, March 18, at a tea, appropriately named "Tea for Two", as each hostess invited the faculty of her choice.

"Spectrum Spectacular" was the theme of the biennial GAA water pageant, March 27-29, in the big pool. Over a hundred girls took part in exhibition swimming. Modernistic backgrounds and interesting costumes, supplemented by mood music, combined to make the colors of a spectrum.

"Antigone", adapted to modern stage techniques from the ancient Greek tragedy, was presented as the Senior Class play, late in April. Setting and costumes reproduced the atmosphere of Thebes, as two brothers fought and died over the city.

Originally scheduled for March, the play was postponed a month because of the late basketball schedule. Mr. James Essen was the coach.

Football and basketball games meant cheerleaders, pep assemblies, and Purple X dances.

Cheerleaders kept 'em yelling, whether the team was winning or not; in fact, they worked harder when the team was losing. Sometimes, before a crucial game, there was a pep assembly, or rather two of them, because of the shift schedule. Juniors and seniors had theirs in the morning; freshmen and sophomores in the afternoon. Stunts, yells, and pep talks were featured. KIP was in charge.

After every home game there was an open house dance, managed by the Purple X Committee. Faculty chaperones were assigned by the superintendent. Tickets were purchased ahead of time and identification cards were required at the door. A big X, stamped on the hand in purple ink, was proof that these requirements had been met. Refreshments, such as cokes, were available on the mezzanine at the regular booths.

VARSITY SEASON

Although Thornton's football Wildcats failed to win the title in 1957, the team received many honors. Throughout the entire season Thornton's team was ranked among the top in the state. At the end of the season, five boys—Ron Rockett, Bill Starzyk, Skip Chisser, William Hawkins, and Paul Jackson—were chosen to the All-South Suburban team. Jackson's determination and his all-around ability resulted in his being selected to the All-State team.

The Wildcats began the season with a 7-0 win over Morgan Park. They followed this with a 19-6 victory over Elgin. The conference play started with decisive victories over Fractional, 26-0, and Argo, 34-0. The Wildcats then played to a 7-7 tie with Blue Island. After defeating Lockport, 27-0, the Wildcats were subdued by Bloom, 33-19. Their Homecoming game resulted in a 54-0 romp over the Kankakee Kays. The 21-13 defeat of Leyden gave the Wildcats second place in the conference.

JV SEASON

Thornton's Junior Varsity football team had an excellent season in 1957. They finished with a record of three wins and no losses, having had only one touchdown scored against their skillful defense. Some of the outstanding players were Tom Rossman, end; Larry Asmussen, end; Charles Boswell, halfback; Teddy Baker, halfback; John Rozek, tackle; and Rod Weal, quarterback.

The JV team opened their season by shutting out Fractional and Blue Island, 12-0 and 19-0, respectively. Continuing this pace, they defeated Oak Park, 21-7, having a final total of 52 points to their opponents' 7.

Combined with the power of the soph squad, the juniors will go on to form an excellent varsity team, making prospects for next year very good.

Thornton's Frosh-Soph football team had an outstanding season under coaches Melvin De Graff and Jack Robinson. The Kits finished the year with an impressive record of eight wins and one loss, a record which made them the South Suburban frosh-soph champions. Their offensive attack was good; their ability as a defensive team was superior.

The Kits successfully opened the season with a 12-6 victory over Morgan Park. Then, in a long defensive battle, Elgin scored in the final few seconds of the game to hand Thornton their lone defeat. This loss was followed by a string of six shutouts. The lucky streak started with victories over Fractional, 14-0, and Argo, 26-0. Then came a 40-0 win over Blue Island, followed by a 20-0 win over Lockport, a 19-0 whipping of Bloom and a 14-0 defeat of Kankakee. The Kits beat Leyden, 18-2.

TTHS's freshman squad ended its 1957 season with a record of 1 win, 3 losses, and 1 tie. Boys were under the direction of coaches Ted Czech and Bob Blaha. Although their record wasn't too good, the prospects for next year are excellent. The team was led on offense by two fine left-handed quarterbacks, Bob Caress and Gil Shultz. Tom White and Phil Morley were two other offense standouts. Terry Johnson, John Klein, Don Lake, Gary Giese, and Tom Czech, Jr. sparked the defense.

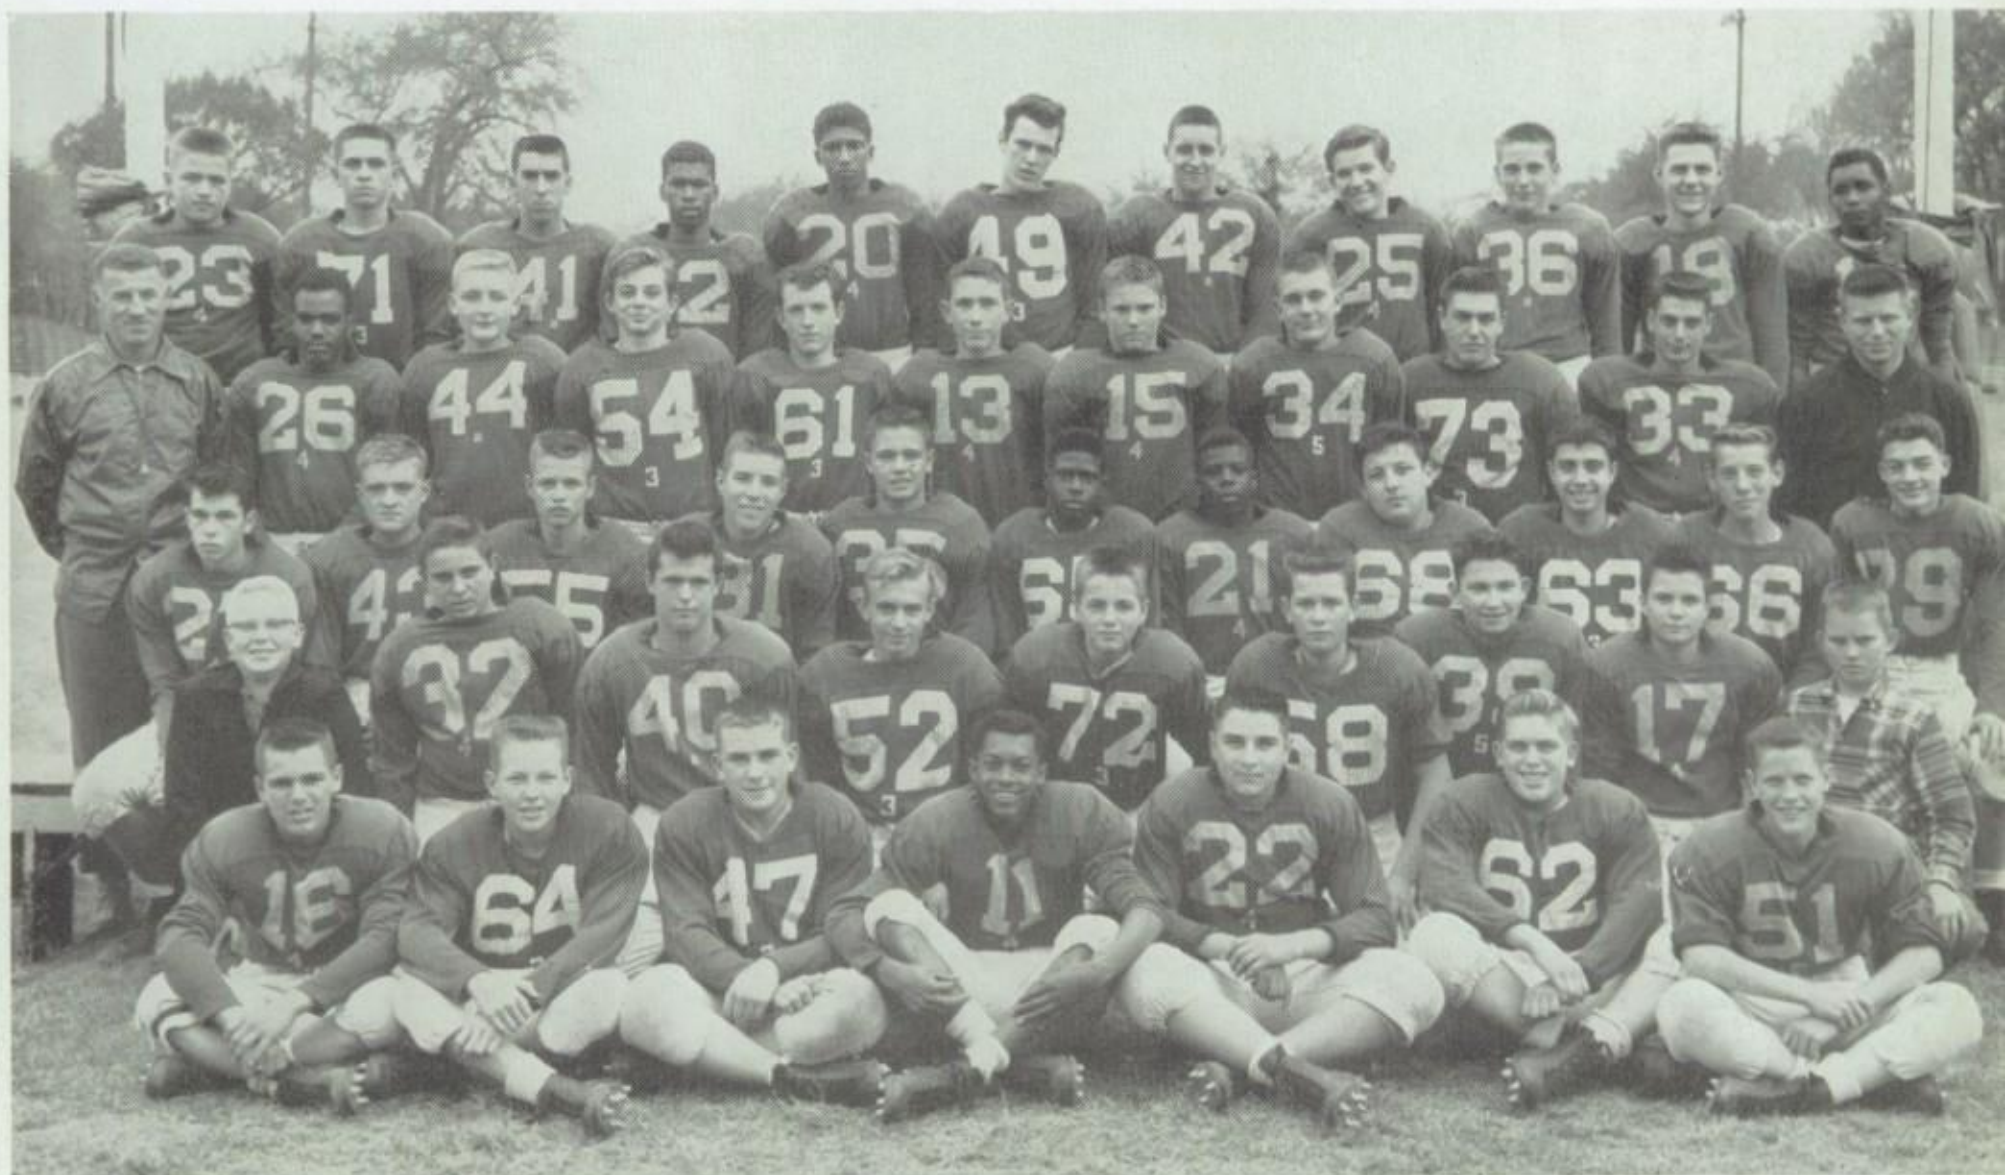

Frosh football opened with a close decision to Leyden, 20-18. In the second game, the Junior Kits defeated Kankakee, 26-7. This, their only victory, was followed by two straight losses: the first, a 33-7 beating by Fractional; the second, a 12-7 defeat by Blue Island. The final game of the season resulted in a 7-7 tie with Bloom.

even faster action in basketball.

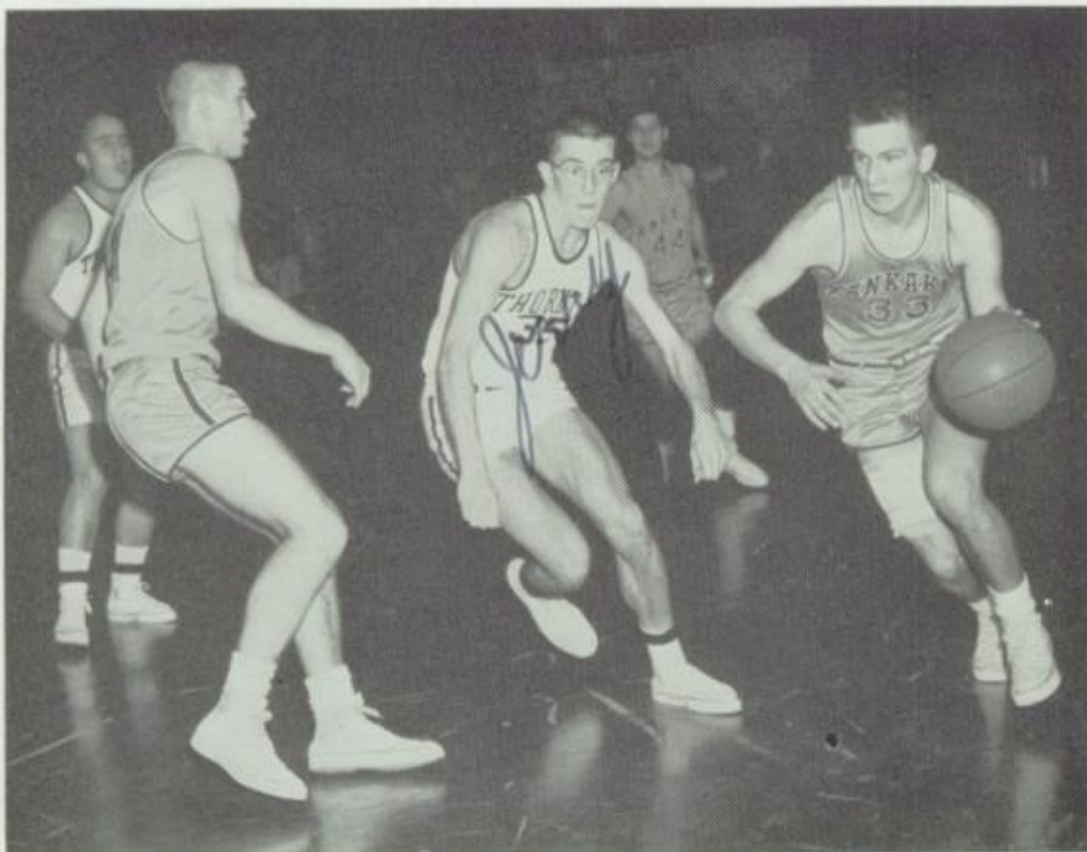

1957-58 basketball season was full of success for Thornton's teams. Both varsity and frosh-soph teams finished in first place in final conference standings. The JV quintet also had a good list of victories. Although the freshmen lost several close games, they finished with a good record.

Thornton won sole possession of the varsity title, but the Wildkits shared the frosh-soph title with Bloom and Leyden. The Wildcats finished with a record of 22 wins to 6 losses. Their conference record was 12-2. Frosh-sophs had a total of 13-8 for the season and finished their conference campaign with a record of 10-4.

Thornton's junior varsity ended their list with an impressive 6 wins to 3 losses; two of the latter were close defeats by Bloom. Thornton's frosh team concluded their playing with an almost even record of 6 won, 7 lost.

VARSITY

Thornton's new coach, Bill Purden, could be proud of the excellent record compiled by his varsity basketball team in the '57-'58 season. The boys won undisputed title to the South Suburban championship. They had a 12-2 record in league play and a total record of 22-6. They won the regional title by defeating Blue Island and lost the sectional to Bradley after a hard-fought game.

Wildcats had a well balanced attack and were superb on defense. All five Thornton starters were chosen as members of the All-South Suburban teams: Ed Radtke was a unanimous choice for the first team; Walt Grayson and Andy Wilson were on the second team; Jerry Lotz and Paul Jackson made the third team.

A record was established in Kankakee's 13-12 victory over the Wildcats—the lowest scoring game in the long history of the conference.

JUNIOR VARSITY

Thornton's JV team had a record of six wins to three losses, with Frank Bauman as coach. Among the outstanding players were Frank Lentfer, Alex Ratkus, Jim Ring, Dave Lazeau, Dennis Treadwell, and Bill Labuda, who promise to play a big part in Thornton's basketball future.

SOPHOMORES

Although the Wildkits had a shaky start, they developed into a first-rate quintet as the season progressed. Bob Anderson, in his first year as head coach of the Wildkits, soon changed them into a very smooth-operating team. They went on to tie Bloom and Leyden for the frosh-soph conference championship. In twenty-one games they scored a total of 891 points to their opponents' 846 and finished with a total record of 18-8 and a conference record of 10-4.

Wildkits were led in their attack by sophomores Stan Thompson, Ed Kern, Guy Godman, Bill Bell, and the freshman, Bob Caress. These boys promise to be of great help to the varsity next year. A few of the other boys who helped the frosh-sophs win the conference championship were Brian Baumruk, Rich Lamp, and Larry Sandburg.

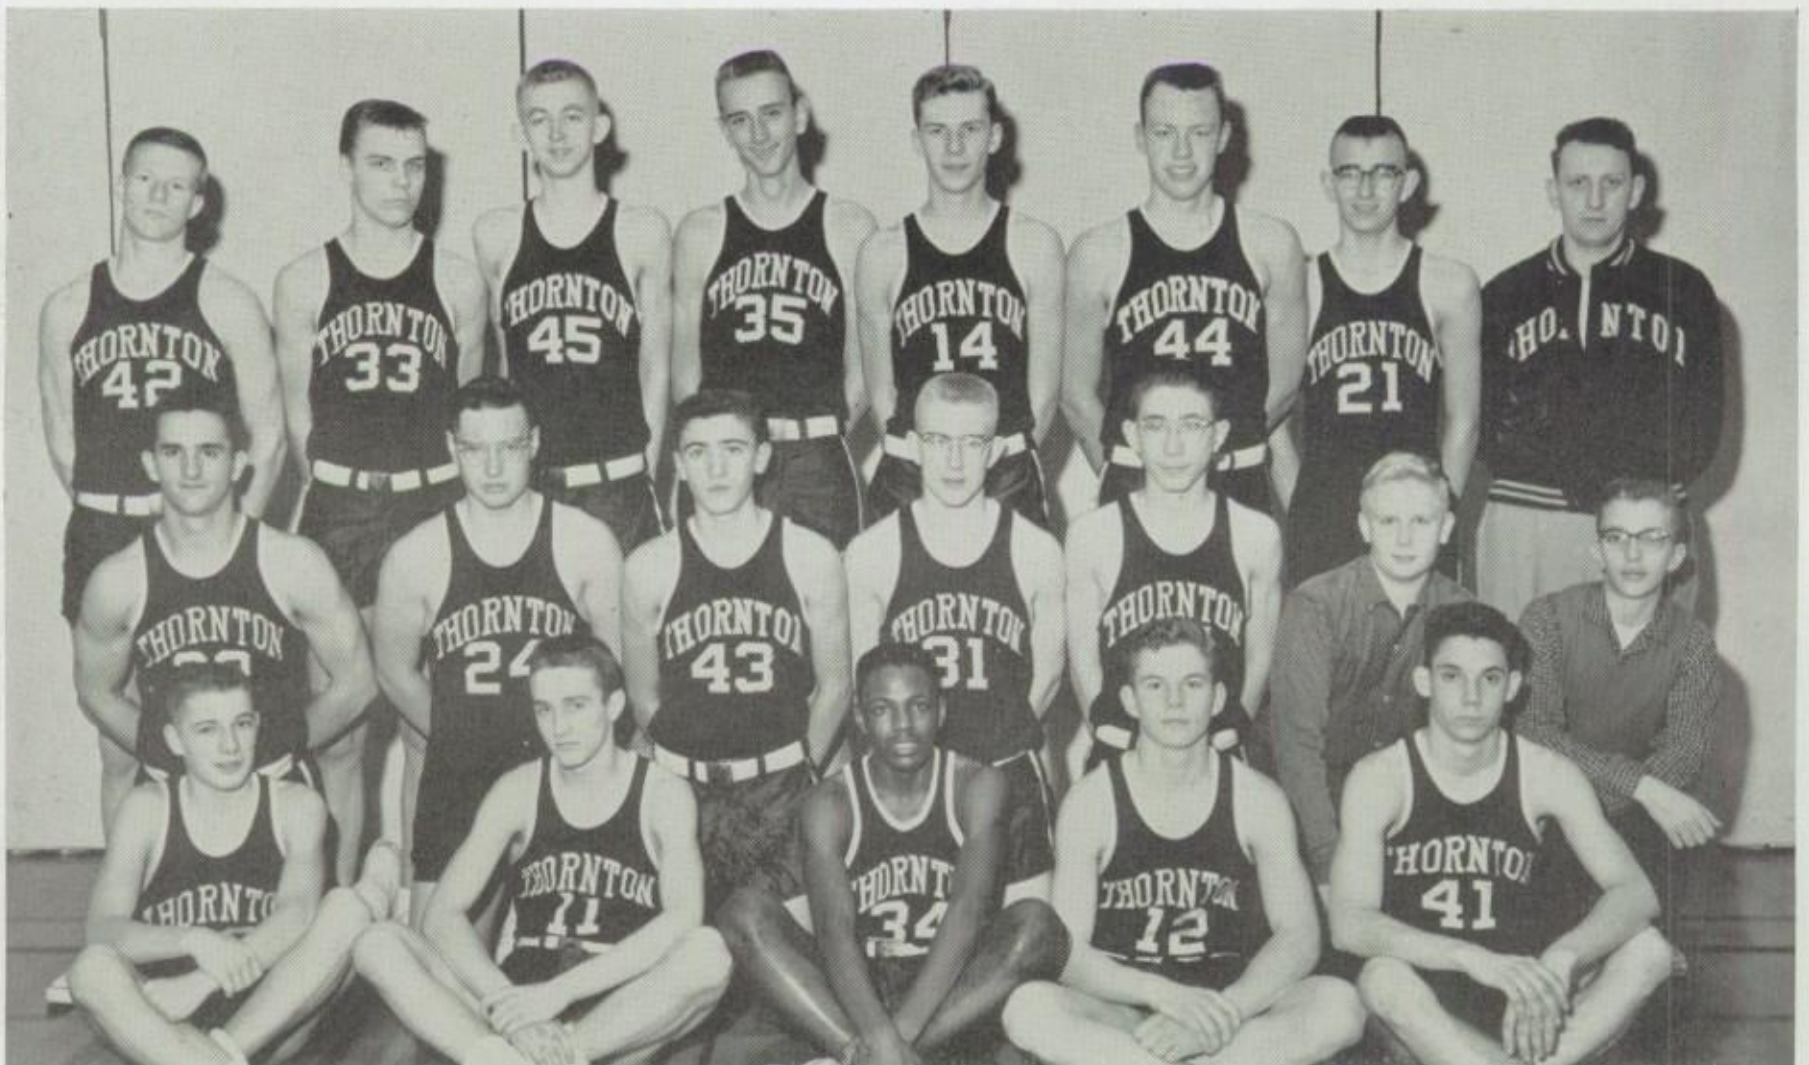

In their last game of the season, the Wildkits had to beat Bloom for a share of the conference championship. They came through in fine style by downing the Trojans, 46-37.

TOURNAMENT PLAY

Thornton's varsity Wildcats scored their highest point total in the victory over Morgan Park Military Academy, 97-47. This game was the first for Thornton in the Blue Island Regional. In the second contest of that tourney, the Cats beat Carl Sandburg, 85-52, and then walloped Blue Island, 54-36, in the third game. In the first game of the sectional at Harvey, the Cats rolled over Wilmington, 60-50, but in the championship game were shut out by Bradley, 57-53. Bradley was subsequently defeated by West Aurora in the super-sectional.

Ever since its organization in 1916, Thornton's band has had a major part in providing fans with entertainment at home games. Ability to perform intricate maneuvers and play well is a credit to Mr. Lyle Hopkins, their director.

Opening ceremonies at football games meant posting the colors and playing the national anthem. At halftime, maneuvers were changed with each game to fit the season and to honor visiting teams.

Twirlers led the band in formations and half-time feats. Wearing their new uniforms, these masters of the baton thrilled spectators with their fancy hand work. Majorettes and drum major were under the direction of Mrs. George Wagner. By basketball time a new group of junior varsity twirlers was giving a creditable performance.

Represented by four fellows, they won fifth in the state with 31 points—Larry Simpson and Ken Moore capturing first place in their respective classes—thus ending the season in a big way.

WRESTLING SEASON

Thornton's varsity wrestling team, coached by Ted Czech, came up with a 10 win—3 loss—3 tie record this year. They accomplished this feat with the aid of four outstanding wrestlers—Teddy Baker, Bill Hawkins, Larry Simpson, and Ken Moore, who represented Thornton at the state meet. Teddy Baker, 127 pounds, had a 12-2 season record; Bill Hawkins, 145 pounds, had a 12-2-1 along with Larry Simpson, 133 pounds, who won first in state. Ken Moore, heavyweight, also state champion, had a record of 16-0, including 10 wins by pins.

Thornton has had thirteen first place state champions in the past six years, a record any school can be proud of.

The frosh-soph wrestling squad compiled a record of 11 wins and 2 losses for the '57-'58 season. Under the supervision of Coach Jack Robinson, the team scored a total of 423 points to their opponents' 154 points.

The team did well in individual scoring too. Wayne Miller, Leonard Fiocca, and Allen Johnson all finished the season with impressive records of 12 wins and 1 loss. Joe Hawkins, Henry Torrence, Bernard Rosebrough, Jerry Gruszczyk, and Abbidula Randle El had 11-2 records. Returning varsity, plus prospects, make next year's potential very good.

VARSITY SWIM SEASON

Thornton's varsity swimming team earned their thirteenth consecutive South Suburban League championship this year. The victory was decisive, with Thornton, 80; Fractional, 39½; Bloom, 38; Lockport, 19; Leyden, 8; Argo, 4; and Kankakee, 2 points. Blue Island did not participate.

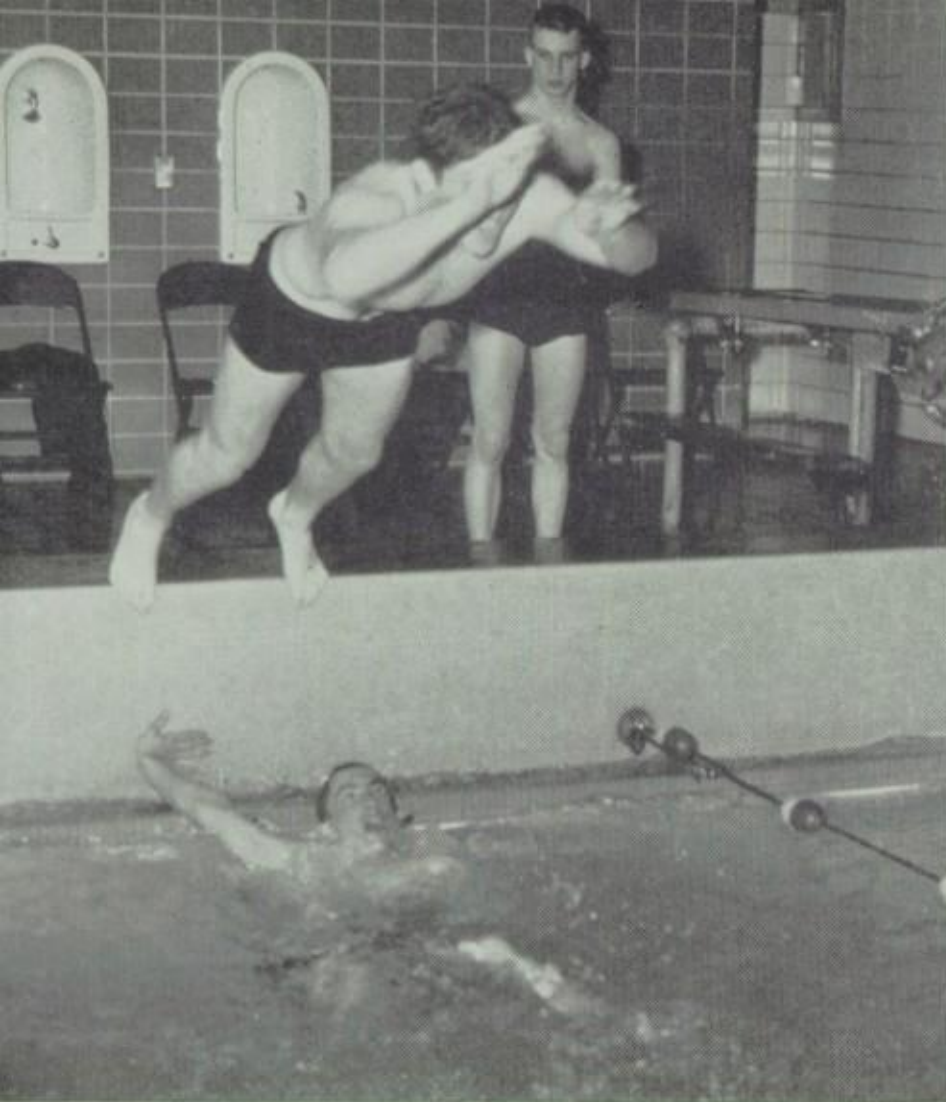

The champions had a season record of eleven wins and one loss, accompanied by the conference meet victory. Coach Froschauer's team was considerably helped by two outstanding sophomores, Klem Osika and Bob Burdett. They were among the high scorers along with Larry Asmussen, Ron Deady, and Mickey Phalen.

The Mermen started the season with five consecutive wins, the first being a 74-12 victory over Leyden. They continued by defeating Argo, Fractional, Morton, and Lockport. Thornton then received its only loss of the season from Oak Park, 62-23. The team recovered from its defeat by beating Elgin, Fenger, Bloom, Riverside, Hammond, and Fractional.

Thornton won the conference meet, setting three new league records: Robby Ring, sophomore, broke the 100 yard butterfly; Larry Asmussen, junior, set the 100 yard conventional breaststroke; and Mickey Phalen, senior, set a diving record.

Two Sophomores who gave the varsity a lot of support—Bob Burdett and Klem Osika.

FROSH-SOPH SEASON

Thornton's frosh-soph swimming team, under the coaching of Mel De Graff, had very startling success. Not satisfied with a 10-0 record, they went out to win the conference meet for the fifth straight year since frosh-soph participation first began in 1954. Also during this terrific season, they broke or set every frosh-soph pool record established at Thornton. Dave Ahrens, Bob Smith, Paul Oberg, and Eric Oberg were the outstanding scorers throughout the competition.

The frosh-soph squad began their spectacular ten-win streak by defeating Leyden and Argo, 69-17 and 62-24, respectively. They then went on to sink Fractional twice, 74-12 and 73-13, and Bloom once, 68-18. They also drenched Lockport, 57-20; Fenger, 62-24; and Morton, 58-28. Their closest meets were against Oak Park and Riverside, which they won 51-35 and 52-34, respectively. They took the conference championship, exceeding twice the nearest opponents' points with 100 points. This made a total of 726 points to their opponents' 271.

VARSITY BASEBALL

Baseball came in with the spring, and along with it came fair weather and early practice out-of-doors. With five returning lettermen, prospects for Coach Bob Blaha's team to better last year's six win-four loss record seemed very good.

These five lettermen were Bill West, first baseman and catcher; Walt Grayson, pitcher; Vern Church, pitcher; Art Flores, infielder; and Paul Jackson, outfielder. Other returnees of help to the team were Billy Cantrell, Bob Callis, and Jerry Lotz, seniors; Marty Shipe, Jim Ring, and Dennis Neath, juniors.

Varsity squad began the season with two out-of-town games with Rich and Morton. After returning home for a meet with Joliet, they again took to the road for games with East Chicago, Blue Island, Joliet, and Kankakee. Other games were with Lockport (H), Leyden (A), Fractional (H), and Argo (A). The climax came when they met Bloom, their strongest opponent in the South Suburban League, on the rival team's field in Chicago Heights.

FROSH-SOPH BASEBALL

Prospects for this year's frosh-soph baseball team, under the coaching of Ron Ferguson, were very good with the returning of five lettermen and a strong freshman group. Lettermen were Ed Kern, pitcher; Wayne Miller, outfielder; Jim Alpert, outfielder; Nick Altavilla, outfielder and pitcher; Bob Gundaker, catcher. Other returnees were Brian Baumruk, John De Matteo, Vince Coppens, Bob Caress, Allen Dehnert, Claude Kracik, Terry Johnson, John Kwasny, and Gil Schultz.

The squad had a twelve-game schedule with five non-conference meets and seven league games.

... and broke the tape.

This spring the track team had eight returning lettermen from last year's squad. These lettermen included Captain John Hebert, half miler and mile relay; Ken Drazba, quarter miler and mile relay; Charles Burton, quarter miler and mile relay; Erv Robinson, dashman and half mile relay; Rich Nardi, discus; Charles Lambert, miler; Ron Rockett, high jump, broad jump and low hurdles; and Ken Moore, shot-put. With the exception of Robinson, Moore, and Lambert, who are juniors, the returning lettermen were seniors.

Other boys who also helped the team along were Wally Spangler, miler; Stan Hunter, pole vault; and Pete Eckert, dashman. Coaches of the varsity squad were Jack Robinson and Frank Bauman.

The cindermen were in the Mooseheart Relays and in seven other meets—three at home and four away. At home they faced Blue Island, Fractional, and Leyden. Wendall Phillips, University High, Morton, Lockport, Argo, Bloom, and Kankakee were their out-of-town opponents.

FROSH-SOPH TRACK

Frosh-soph tracksters were coached by Ted Czech. They participated in the same seven-meet schedule as the varsity. During the season they faced such tough opponents as Bloom, Lockport, Argo, University High (Chicago), Phillips (Chicago), Morton, Leyden, Blue Island, Fractional, and Kankakee. The conference meet was held at Blue Island.

Outstanding sophomore members of the team were Allan Johnson, Ron Walter, Joe Cross, Bernard Rosebrough, and Bob Ring. John Klein, Nick Nardi, Vern Dolberry, Jerry Gilmore, and Bill Asmussen were the freshman standouts.

Frosh-Soph squad—Row 1: Tom Macander, Allan Lindsay, Allan Johnson, John Klein, Tom McCaslin, John Tilton, Joe Cross, Meier Gunter. VARSITY GOLF

As soon as there were a few signs of spring, Thornton's golfers started to prepare for competition, under the guidance of Frank Froschauer.

John Corson and Bill Hambric, both seniors, were the only returning lettermen from last year's squad. A junior, George Roberts, and three sophomores, Len Fiocca, Sylvester Poremba and Steve Van Der Vliet, were a great help to the team.

Thornton's teemen participated in eleven meets—six triangular meets and five dual ones—besides the conference meet at Leyden. During the season the squad had an opportunity to play against Lockport, Bloom, Rich, Kankakee, Fractional, Blue Island, and Leyden.

FROSH-SOPH TENNIS

Frosh-soph netmen, under the supervision of the coach, Robert Sutor, were determined to show their prowess. They had three returnees—Charles Cerny, Fred Needham, and Gary Gibson—plus some new members. The team participated in thirteen meets—six at home and seven away. Blue Island was the scene of the league meet.

Varsity tennis—Row 1: Coach Charles J. Moore, Kenneth Cherry, Claudie Lo Piccolo, Hayward Sumner. Row 2: Dudley Hopkins, Jim Vinke, John Cherry, James Walenga.

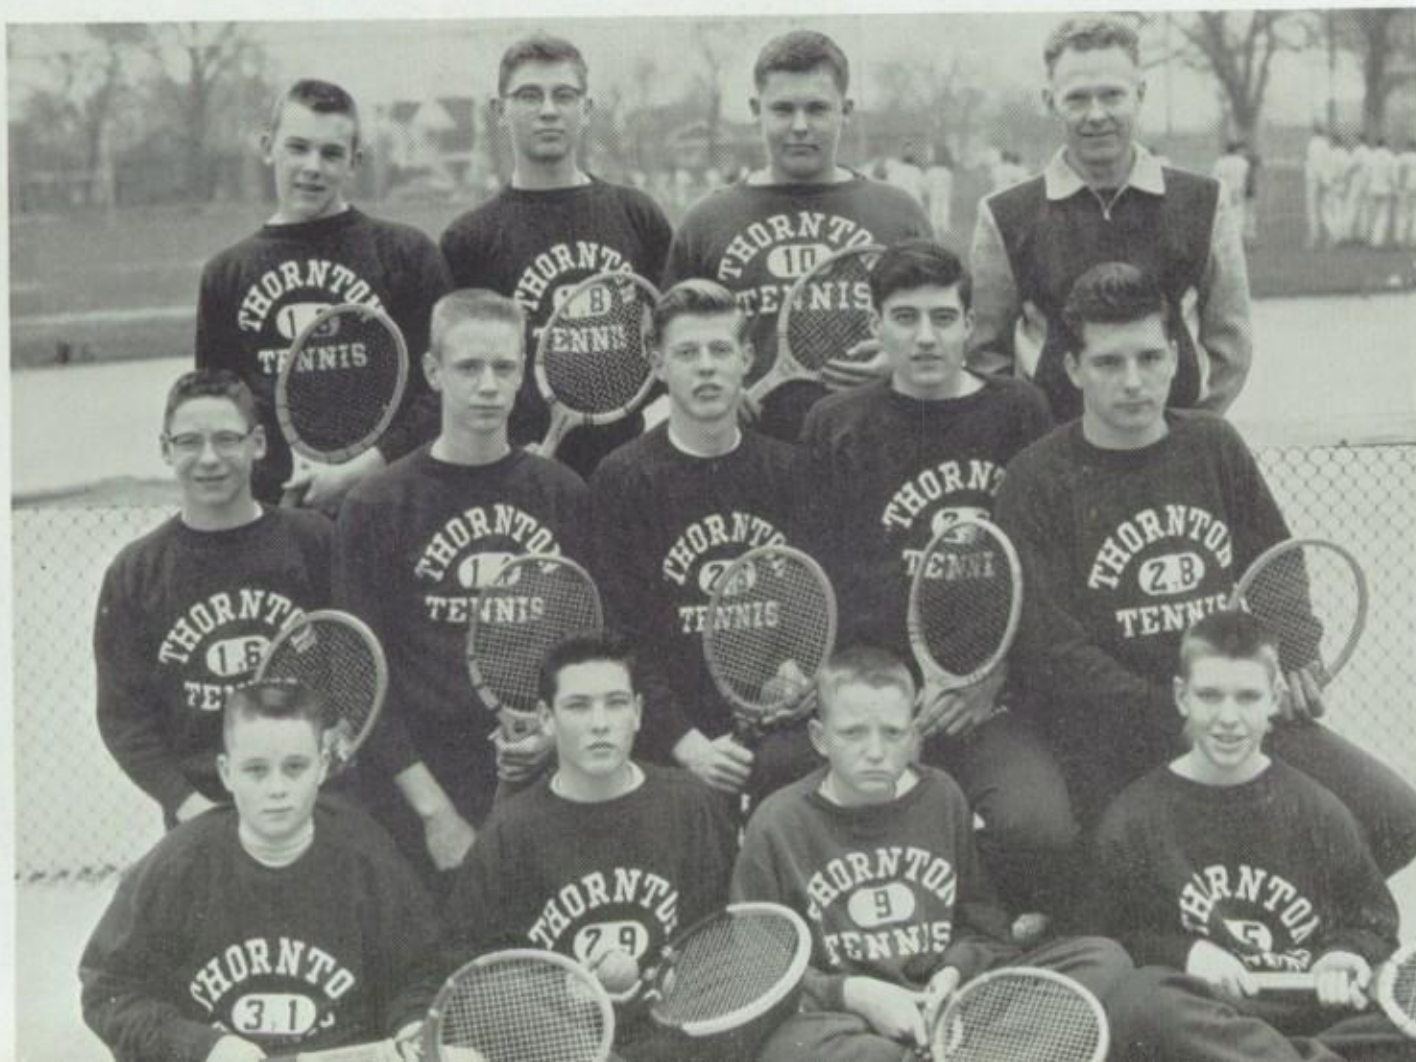

Thornton's varsity tennis team, under the supervision of Coach Charles Moore, had very good prospects for a bright season. The varsity netmen used the Broadway courts, while the frosh-soph used the Buda and Park courts.

The squad had five returning lettermen, two of whom qualified for state finals last year. These

five returnees were John Cherry, Jim Vinke, captain, Ken Cherry, Jim Walenga, and Chuck Kaiser, all of whom were seniors. John Cherry and Jim Vinke were the state qualifiers. Other players helpful to the team were Jim Rice, junior; Andy Wilson, junior; John Adler, sophomore; Dudley Hopkins, junior, and Larry Stone, junior.

Frosh-Soph tennis—Row 1: Clark Hallman, Jim Donahue, Bob Davidson, John Van Kley. Row 2: Bob Johnson, David Deverick, Norbert Loose, Fred Needham, David McRoberts. Row 3: Gary Gibson, Bill Gedzun, David Ossowski, Coach Robert C. Sutor.

We even had intramurals

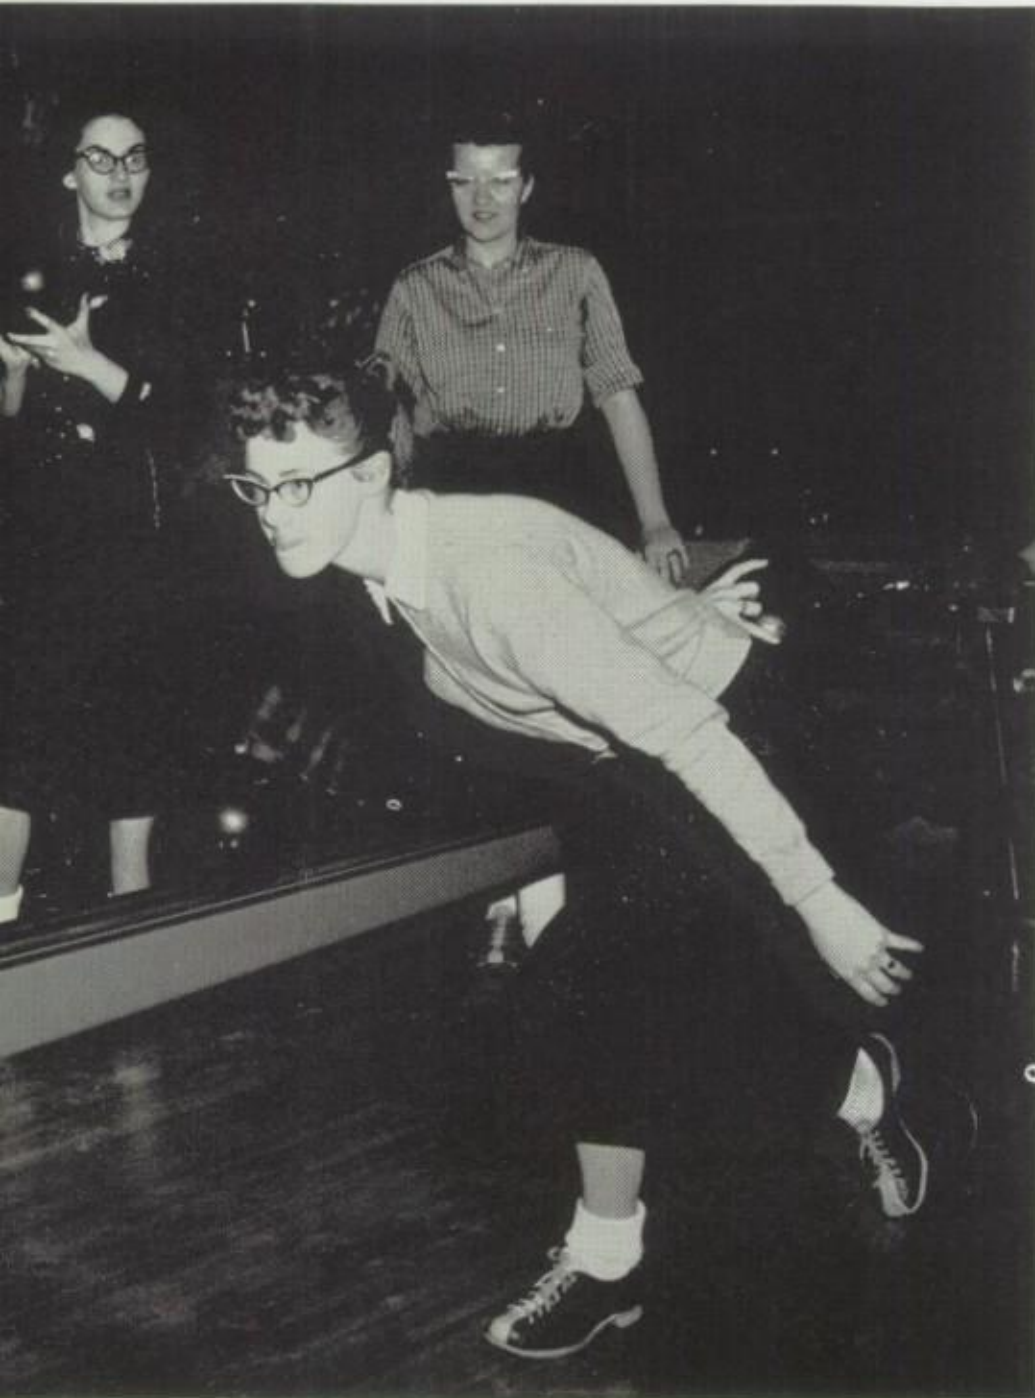

Girls Athletic Association functioned as if no scheduling problems existed. The usual seasons of sports, plus a new one—bowling—were organized and girls won their big and little T's as always.

This was the year for the swim pageant, too, and that was produced as "Spectrum Spectacular", in the big pool, on March 27, 28, and 29.

GAA is an organization to give girls a chance to have fun while learning good sportsmanship and making new friends. Sports offered are recreational swim, volleyball, synchronized swim, badminton, shuffleboard, ping-pong, tennis, and bowling. Completed seasons are the basis of awards.

All activities are governed by a board of three sophomores, four juniors, five seniors, and two faculty—Mrs. Beier and Miss Sutton.

Parents Play Nite in the fall and a picnic in the spring were two other activities of GAA.

. . . and developed some real champs.

Because of the split sessions, intramural sports had to overhaul plans this year. In spite of a somewhat decreased participation, all the old games like basketball, table tennis, shuffleboard, checkers, and chess were still offered in the fall; twenty-six basketball teams were formed in mid-winter; and softball, golf, and horseshoes were added as spring sports.

Boys were notified about their schedules through their homerooms. Meets were held after school from 2:00 through 6:00 p.m. to accommodate boys leaving school at 1:00, 3:00, and 5:00. To the winners of each of the teams, emblems were awarded throughout the year.

Even with their heavy teaching schedules, gym instructors found time to sponsor intramurals.

KIP was busy as ever . . .

This year's shift schedule curtailed the number of forum meetings of KIP, Thornton's student council, but didn't affect projects undertaken. Mr. Hanrahan, new council adviser and also new member of the faculty, found a live-wire organization to work with.

KIP gets its name from the school motto, "Knowledge Is Power." Every Thornton student is a member. Two main bodies make up the council—the forum and the board. The forum is the group of representatives from each homeroom, but the board and officers are elected by the student body as a whole. A week of campaigning in the spring is followed by the election of the major officers and of most of the board—five seniors, four juniors, and three sophomores. Two freshman members are elected the following fall. Board members and officers make policies and plan activities; forum members report to their homerooms the matters discussed in forum meetings plus policies decided by the board. A suggestion box outside the KIP office gives every student a chance to express his ideas.

with all-school projects.

ID Cards—Janet McCann, Sandy Chilcott, Nancy Bates compare their pictures.

Three new projects were added this year to the list of KIP sponsored activities. One was Operation X; another, picture ID cards; and the third, a Homecoming parade.

Operation X was a second-breakfast service in the cafeteria, but Thorntonites were apparently too well fed to make the service worth while and the project was dropped.

Picture ID cards, in contrast, were a big success. Every student had one, with his picture on it, and he found that he had to present it to get in to many student activities, especially Purple X's and Gym Jams.

The Homecoming parade of decorated floats and walking delegations was revived last fall. Because the weather man cooperated, clubs and classes had a wonderful time getting ready and showing off their masterpieces.

Purple X flourished.

Biggest project of Purple X is management of the open house dances after home football and basketball games. Other projects included furnishing the wherewithal to bring top talent for all-school assemblies, helping to finance organizations with little or no source of income, and contributing one evening's proceeds to the scholarship fund of the Faculty Association.

Purple X Committee had a new sponsor this year—Mr. Henry Harms—and a new office—a converted music practice room.

Committee members, sponsors, and assigned faculty chaperones cooperated in the smooth running of 15 open houses with an average attendance of 1,000.

The glee club from Purdue University and the band from Great Lakes Naval Training Station were the top-flight entertainers brought by Purple X for two all-school assemblies.

New members elected for next year were initiated at the annual Purple X banquet in May.

Boys Club Board

Boys Club gave stag, M-S dinner.

TTHS Boys Club had a new sponsor this year—Mr. Arnold Koester, the new dean of boys. Mr. Koester had previously been dean of men in Thornton Junior College.

All boys in school are eligible to join Boys Club and most of them do. Consequently the club is one of the largest of the student organizations.

Principal events on their calendar this year were the Father-Son Stag in January and the Mother-Son dinner in March. Mr. Charles Sharp, a radio and TV reporter, entertained the boys and their mothers with color movies taken in Russia. At the Stag, there was first a tour of the Industrial Art shops, then movies by Mr. Ted Bumiller of his jeep trip around the world. Refreshments were served afterwards in the cafeteria.

One of the bigger projects of the Boys Club is the Hall Guard Organization, sponsored this year by Mr. Donald Myers, a new member of the Thornton faculty. Hall Guard officers have jurisdiction over hall guards, bus guards, and campus patrol.

Hall Guard Officers

Hall, Bus Guards were on duty.

Hall Guard Organization was re-vamped last fall to fit the changed schedule. Although the dean of boys continued in an advisory capacity, the group was placed in immediate charge of a new teacher on the faculty, Mr. Donald A. Meyers.

This organization of students polices the corridors, the campus, and the school buses. It is the job of the Hall Guards to check students to see that they all have passes, that they are not loitering in the corridors during class time, and that they either stay outside the buildings until it is time for the new shift or that they wait in the audi-

torium or cafeteria until the bell rings.

Campus patrol members check the parking lots and campus for smokers and loafers. Bus guards ride the school buses to see that order is maintained, a job which cannot be left to the bus drivers.

Captains of the organization are responsible for seeing that guards are at their posts, that substitutes are supplied as needed, and that orders are being carried out. They meet regularly with the Hall Guard officers to report on conditions. In turn, they relay to the guards the policies agreed upon and the suggestions made for improvement.

If a club could be voted "the most"—for most committees, most meetings, most parties, and most projects—the choice would surely fall to TTHS's Girls Club, a club for all Thornton girls.

Teas for faculty and mothers, dinners for dads and moms, a dance for boy friends, a get-acquainted party for freshman girls, and informal parties for themselves were among their social activities.

With the Boys Club they sponsored a play last fall. They sold ball-point pens to raise money, engaged in welfare activities like those for a Tennessee school and Oak Forest patients, and had several all-member assemblies. They promoted good scholarship, loyalty to the club, and friendship with clubs in other schools. They prodded members to be active in school affairs and offered T-pins as rewards. They had council meetings and group orientation meetings. In fact, two meetings for everything almost became the rule because of the shift system. They kept football spectators happy with hot dogs, coffee, cokes, and popcorn. They had the *most* activities—they were busy!

Medical Arts Club is for girls interested in medical careers. Miss Dorothy Lieb, school nurse, is sponsor for the group.

Members plan field trips to hospitals and clinics to learn working conditions and the prospects for study and advancement. At meetings they often hear speakers who are in the profession as nurses, therapists, technicians, public health representatives, doctors, psychiatrists.

Many of the girls work in the nurses' office as assistants. Here they learn how to handle routine problems, medical and psychological. They help to keep the records and act as receptionists for the outer office.

New members are initiated in a candle-lighting and capping ceremony traditional in nursing.

Meetings this year had to be held in the evening because daytime schedules varied so much. Making simple toys for hospitalized children was one of their projects. Refreshments at meetings? Yes!

Capping and candle-lighting are part of the initiating ceremonies.

gave full service as needed.

Thornton's Junior Red Cross chapter, sponsored by Mr. Harold Fuller, is a group of students interested in public welfare.

Theoretically, everyone in school is eligible to belong, but to keep the group of a size that is manageable, officers, councilors, and representatives from homerooms handle chapter business. Discussions are relayed by homeroom representatives. Officers are elected by the students as a whole.

Junior Red Cross carries on the tradition of the national organization by helping others. One project is sending Christmas stockings to childrens' homes and hospitals. Each home room is asked to fill at least one stocking. Special commendation came this year from Chicago headquarters for the more than two hundred stockings and stuffed toys contributed by TTHS.

As an extra project, Mr. Aseltine's art classes decorated bedside boxes to be sent to disabled veterans confined in government hospitals.

That long line in front of the bookstore each morning would be enough to rattle an ordinary student. But TTHS Bookstore clerks soon learn to handle customers quickly and efficiently.

Miss Margaret Oppelt, formerly a student clerk, is now a full time assistant. Staff members are selected on the basis of personality and grades and usually serve two or three years. They sell supplies, deliver goods, and check stock.

DO Program

Earn while you learn—or nice work if you can get it! That's what students in Diversified Occupations do. As pre-apprentices they go to school half a day and train under actual industrial conditions the rest of the time.

School requirements are two academic courses and one related subject class; job requirements are fifteen hours or more of work per week, a minimum age of sixteen, and consent of parents.

Scholastic Honors

One of the most exciting events of the Honors Day assembly each June is announcement of those who have made National Honor Society.

Members are elected by the faculty from the upper fifteen per cent of their class. Highest ranking students are chosen at the end of their junior year, and others are chosen at the end of their senior year. Membership is based upon scholarship, service, character, and leadership.

Harvey Hoofers, Thornton's well-known tap-dancing group, perform at most social activities at TTHS. Their clever costumes and dance routines always add a little more to the fun of the dances and parties of the year.

Each fall the girls who have graduated are replaced by others of equal talent and ability.

Faculty sponsor of the group, Mr. Norman Lahti, often dances with the girls.

Future Teachers increased.

If interest in Future Teachers of America is an indication of the country as a whole, then the teacher shortage is on the decline. From a slow start FTA has built up over the years to a lively and interested group.

Programs are planned to fit all interests—kindergarten or college teaching, general or special teaching. Guest speakers represent a variety of experience, both grade school and high school. Some are from Thornton's own faculty; others come from nearby schools. They relate their own experiences as well as discuss principles of good teaching. Mr. Virgil Petty is their sponsor.

A tea for FTA members, given last fall by the Faculty Association, was a social highlight.

Key Club Board

Seated: Dave Nelson, vice-president; Dan Jacobs, treasurer; Dave Blair, president; Jim Vinke, 2nd vice-president; Jay Klompmaker, secretary. **Standing:** Jerry Kernagis, David Cordes, Dave Walvoord, John Baldwin, Dave Carr.

Thornton's Key Club, sponsored by Kiwanis International, is in only its second year at TTHS. All Thornton boys, with the exception of freshmen, are eligible for membership. Prospective members, to be admitted, must be good students and must show an interest in the club.

Biggest project this year was the candy sale. Each of the club members sold candy bars to faculty and students; many sold them from door to door in their communities.

Mr. Hanrahan sponsored the group during the first semester, but when KIP duties kept him too busy, Mr. Tilton, class principal, took over. He had sponsored the group last year. School schedules made night meetings a necessity.

Key Club expanded from the Trophy room to the Chorus room.

Camera Club Officers

Walter Reynolds, chairman (front); Therese Olling, secretary-treasurer; Dave Bell, co-chairman; Robert Gadbois, co-secretary; David Kee, president.

Camera Club members have to squeeze to get everyone in at one time.

Shutters clicked.

Camera Club students have a well-equipped dark room just off the Little Theatre in which to do their developing and printing. Taking pictures of couples at dances was one of their projects. Miss Stabenow and Mr. Cameron were sponsors.

Projection Squad is one of Thornton's busiest service organizations. In their office on the Little Theatre stage are housed equipment of the Audio-Visual Department with Mr. Reed in charge. They operate projectors for movies and slides.

Audio-Visual Squad—Row 1: Ronald Phillips, personnel; Dave Kersten, film director. **Row 2:** Tom Van Swol, Tom Stephenson, Chuck Paarlberg, Jerry Chicoine (maintenance); Nicholas Altaville, Mr. Blake Reed (faculty adviser).

Language clubs used councils.

Language club activities were cut down considerably because of the shift schedule, so each class had its own club and elected a member to the general council.

Art, festivals, and music of the countries represented by the three modern languages—French, Spanish, German—were studied. Costumes, customs, and crafts came in for their share of interest.

Mr. Barwis brought to his Spanish classes a choice collection of Mexican peasant figurines loaned by a friend. One of Miss Musson's French classes had a native French girl, Solange Regnier, as a member. Miss Hills' travels in Germany were an inspiration to her classes.

"Latin in Radio Broadcasting" was a club unit that proved Latin was very much alive in its influence on the English language.

Latin Council—Row 1: Dee Mech, Chuck Wentzel, John Adler, John Baldwin (consul); Dorothy Dousman, Fred Stuart (consul), Phyllis Nita. Row 2: Pat Cent, Janet Wojcik, Gloria McCormick, Pat Santefort, Dave Carr (consul), Nancy Hollett, Carole Jackson. Row 3: Kay Lawrence, John McConnell, Dave Walvoord (consul), Dan Jacobs (pro-consul), Larry Whitlow, Bob Gadbois (consul), Brian Baumruk.

French Council

Row 1: Nancy Bates, Pete Melonas, Bonnie Winslow, Elizabeth Mylenki, Pat Altier. **Row 2:** Todd Haines, Donna Whitlock, Marianne Wahlen, Forrest Tellis, Donna Pettit, Shirley Franklin, Sandra Minor, Judy Jaunich. **Row 3:** Diane Peterson, Collette Colvert, Joyce Metcalfe, Jaan Walther, Pat Deutsch, Leonard Johnson, Dennis Marshall.

French Council

Skits, games, and puppet shows were among the activities planned by French council for the classes they represented.

Decorative maps of France showed the imagination and ingenuity of the students and a contest for the best examples furnished incentive to do good work. The result was many colorful additions to the classroom and a lot of personal satisfaction.

Spanish, German

Spanish notebooks, through pictures and words, made vivid the cities and countries in South and Central America and emphasized both customs and dress of the people. Armchair travel became popular.

German Club sponsored correspondence with foreign pen pals. Posters, both humorous and serious, were judged and given awards. German traditions were observed at Christmas time, especially in the singing of German songs in German.

Spanish Council

Row 1: Julia Flynn, Steve Benos, Edwina Walker, Hayward Sumner. **Row 2:** Robert Gasperec, Elene Fetsis, Pegi Connor, Joe Hemingway, Gene Jarog.

Breaking the pinata—Larry Asmussen holds the pinata as Sandy Rowe attempts to break it. Linda Pinger, Martha Kleinz, and Evelyn Ghidotti watch.

Latin Christmas greetings—Bob Pietrasek, Nancy Hollett, Barbara Jankowski.

Christmas Customs

Breaking the pinata is part of the Christmas fun for Spanish classes. A blindfolded student, stick in hand, whacks away until she hits the box suspended from a pole and the toys and goodies fall to the floor. Then there is a scramble to pick them up. Part of the game is to keep the pinata moving, too, as long as possible.

Latin students found that Christmas greetings could be said in Latin too. Sentiments and symbols could be translated into that language.

German Council

Seated: Erika Leidinger, Judy Muench (looking at the picture in the bottom of the stein), Kendall Houk. **Standing:** Phil Hohmann, John Steele, Adele Herdt, John Patterson, Karen Rickhoff.

Lighting crew—Dave Kersten, Don Paulsen, Douglas Reynolds, Jerry Chicoine.

Play Managers

Ticket distribution and sales, publicity for the performance, seat reservations, and financial management for the production were part of the job for the play managers of "Noah."

Ticket sales went along smoothly and the auditorium was full on performance night. Having tickets printed, posters produced and displayed, programs ready, and all ticket money returned, made life busy until everything was settled.

Lighting Crew

House lights off, footlights up, spotlight adjusted to the proper angle, and the lighting crew is on the alert. That little box with all the levers to flip is a closely guarded piece of equipment, for lighting effects would be impossible unless it was in working order.

Even when there wasn't a play going on but we needed stage lights on picture distribution day, it was the lighting crew who came to the rescue.

Play Managers—Row 1: Karen Danielson, publicity; Judy Jaunich, tickets; Donna Poninski, business manager. Row 2: Ron Lewis, general chairman; Harvey Hall, publicity; DeLynn Caldwell, program; John Peters, tickets.

Footlighters—Row 1: Dee Carlton, Karen Curtis, Sharon Goodar. Row 2: Paula Gorman, Sandy Shackleton, Karen Czupek, Jeralynn Kelly, Valerie Ludewig, Pat Cade, Mary Christopher, Vikki Miskowicz. Row 3: Linda Smith, Joyce Buell, Eileen Powers, Gail Wilke, Sharon Hampton, La Vern Ivers, Robert Havice, Diane Banovich, Rosemarie Ryan, Sandy Anders. Row 4: Patricia Stevenson, Sheryl Herman, Charmaine Carlson, Carol Stevens, Pamela Mott, Sherron McCoy, Charmaine Fredette, Arlene Kickert, Donna Whitlock, Pat Hannagan, Linda Dybas.

Footlighters

Footlighters Club acts as a service organization for Thornton's dramatic productions. Need scenery painted, properties gathered, costumes assembled? Ask the Footlighters!

In between the big plays, they study production problems and learn how to apply stage make-up. As a special feature for their meetings, they select and produce one-act plays. Sometimes they get ambitious enough to present them for their friends.

Footlighter Officers

Barbara Turek, scriptorian; Claire Olson, president; Joyce Robinson, treasurer.

One-Act Plays

A short play based on "Little Women" was a February production of the Footlighters Club. Student directed as well as acted, it was presented in the auditorium before friends of the club.

In the cast were Elaine Fetsis as Jo, Pat Stephenson, as Meg, Karen Czupek as Amy, Karen Curtis, as Beth, and Joanne Juskevics as Mama. Claire Olson directed. Joan Johnson and Joyce Robinson did the make-up, and June Cage, the scenery.

Nurses' Assistants

Robert Brower, patient; Carole Jackson and Penny Cummings, assisting. Watching: Judy Decker, Valery Muff, Donna Poninski, Bonnie Perlman, Kathie Zimmerman, Linda Thornton, Karol Watkins.

Nurses' Assistants

Thornton girls interested in nursing careers may get valuable experience acting as assistants to the busy school nurse. They check programs, take temperatures, give pills, keep the records, and generally help with the routine work of the nurses' office. Most of them belong to MAC.

CP Office

Class Principals' assistants are a group of responsible students working under the direction of members of the office staff. Since attendance is taken every period this year, they have quite a job to do. They check on absentees, run errands, and even make calls for the class principals.

Class Principals' Assistants

Row 1: Elayne Gager, Claire Olson, Patricia Deveney, Arlene Shapiro, Judy Doll. **Row 2:** Joyce Robinson, Mrs. Janet DeGroot (secretary), Mrs. Evelyn Lindstrom (attendance officer), Patt Black, Judy Turngren. **Row 3:** Sandy Schreiber, Karen Westfall, Patti Kasten, Sharon Seerup, Sandra Mohr, Evelyn Ghidotti, Sherron McCoy, Arlene Kickert, Marilyn Housman, Nancy Mewes, Sandy Seeder, Pat McIlquham.

Biology Typists

Biology typists work in the two biology offices. Their jobs range from checking notebooks and quiz papers to typing lecture notes and the many-answer quizzes. They keep the storage cupboards in order, file equipment, operate the ditto machine, and arrange exhibits in the display cases. Although it is not required that they take biology, knowledge of the subject makes them more valuable helpers. Girls taking office practice in the business department get valuable practice in this way.

Library Helpers

Library assistants are another important Thornton service group. They check books in and out, send overdue notices, assist in clerical work, and keep books in order on the shelves.

The Library Club, which has been quite active in the past, had to be abandoned this year since shift system schedules made it impossible to find a time when the group could get together.

Return to the one-shift schedule will make possible a reorganization of the club next year.

Biology Assistants

Nancy Jeths, Mary Ann Ladewig, Pauline Halford, Rose Gurosh, Lorraine Ritsema.

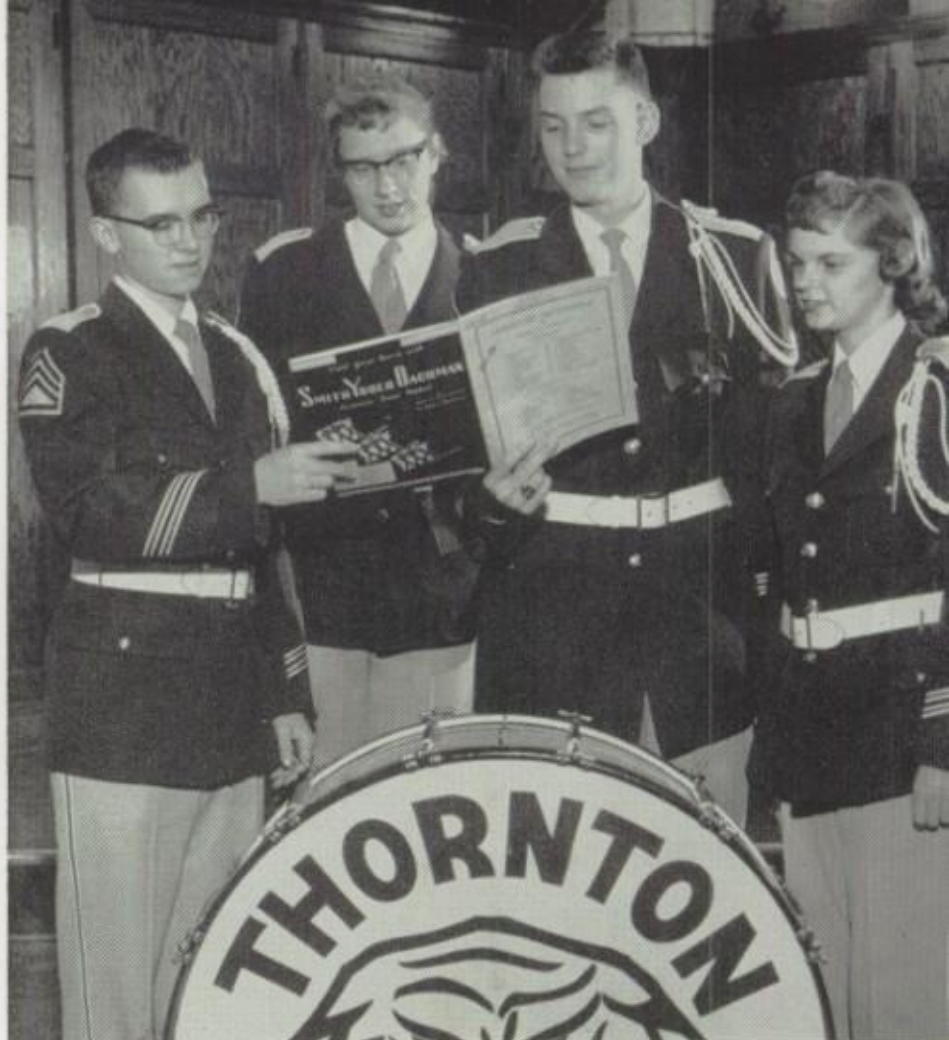

Library Assistants

Row 1: Dorothy Eisner, Joyce Kainrath, Asenath Dixon, Sherron McCoy, Mari Lou McCann, Sally Padgett, Cynthia Mathews. **Row 2:** Lynn Hetfield, Judy Beck, Janet Wojcik, Barbara Valentine, Robert Foster, Sandra Anders, Donna Whitlock, Adrienne Chase, Marilyn Wood, Claudette Elumn, Brad Wernicke. **Row 3:** Glenn DeGraff, Betty Besse, Michael Flick, Margie Tilton, Joan Inglebretson, Ruth Jackson, Gary Hinrichs.

Band was bigger.

Band Officers—Gary Clements, vice-president; Barbara Anderson, secretary; Gene Roeder, president; Valery Muff, treasurer.

Brass Section B—Row 1: Fred Needham, Judy Kettering, Larry Lincoln, Sue Swarens, Bob Stone. Row 2: James Walenga, Glenn Swanson, Larry Stone, Gary Pruitt, Roger Reynolds, Barbara Stiegman. Row 3: Joe Schwantner, Dave Nelson, Don Litcher, David McRoberts, Alan Fancher.

Brass Section A—Row 1: Gene Roeder, Ken Houk, Bill DeVries, Skip Herr, John Hauter, James Rice, Wayne Flowers. Row 2: John Tyler, Dick Coursey, Robert Lakomy, Phillip Kolus, Jack Swan, Jim Hall, John Steele, Norb Gebhardt. Row 3: Norman Cotton, Chuck Mosser, Dave Walvoord, Dudley Hopkins, Valery Muff.

An enlarged band was in keeping with the rest of Thornton expansion. Enthusiasm was especially high during the football season when pre-game and halftime maneuvers gave the group a chance to strut its stuff for the spectators.

Forming the letters TTHS and playing the school songs of both teams were traditional ceremony, with the playing of the national anthem. At halftime, band members worked out many colorful routines, often with dance patterns.

During the rest of the school year, pep assemblies and basketball games were occasions for the band to perform. Under the direction of Mr. Lyle

Hopkins, the group played in the Spring Festival, for school dramatics, and had its own concert. It was generous with its service to the community by marching in parades such as those on Veterans Day and Memorial Day.

Support for the band's activities comes not only from the TTHS school board, but also from a group of adults known as the Band and Orchestra Parents Association. They sponsor tag day, dances, and other money-raising activities to pay for extra equipment and for accessories to the uniforms—for both band and orchestra. The association also offers scholarships to summer music camps.

Group B, Reeds—Row 1: Harriett Whitney, Alice Ferguson, Jack Reaugh, Kay Seagle, Janet Propper, Eileen O'Brien. Row 2: Linda Moravek, Anna Diekelman, Barbara Anderson, Sharon Miller, Joan Asmussen, Gary Clements, Ray Nycholt. Row 3: Bob Reich, Karen Danielson, Darlene Kadlec, Jerry Urban, John Dunker, Wayne Krockner. Row 4: Connie Carihfield, Karen Greiner, Susan Pond, Pat Cent.

Group A, Reeds—Row 1: Bob Kurz, John Patterson, Marlene Wood, Phil Hohmann, Robert Lucas, Betty Bourland. Row 2: Ronald Swenson, Richard Boland, Sandra Walker, Vicki Anderson, Robert Ring, Alma O'Brien, Todd Haines. Row 3: June Saeger, Sandra Bacon, Joyce Meyer, Gloria Sachs, Pamela Zesch, Kathy Kiel, Kay Lawrence, Diane Pearson. Row 4: Frances Bourland, Tom Hinkey, Bob Helton, Pat Wilson, Peggy Nash.

Percussion—Row 1: Evelyn Ghidotti, Everett Evans, Irene Melonas, Judy Morris, Bob Bytnar.
Row 2: Leonard Lagestee, Barbara Locher, Bob Steder, Bill Gedzun, Donna Schindler.

Band Sections

For practice purposes, small sections of the band, divided according to types of instruments, met separately, several times a week. Besides the percussion section pictured above, there were the brasses and the reeds. Band officers helped with group management and some types of discipline.

Junior Varsity

Junior Varsity Band is largely made up of the freshman students interested in music activities at Thornton. Here they are actually in training for later entrance into the Concert Band, the select group chosen from the larger Marching Band, to play for school concerts and assemblies.

Junior Varsity Band—Row 1: George Bohl, John Lazaros, Linda MacKay, Gloria Whitney, Corinne Ankarlo, Leslie Johnson. Row 2: Howard Ver Way, Edward Sylvestrak, Alan Bruggeman, Charles Petersen, Bruce Vander Wall, Doug Diggle, Reno Ghidotti. Row 3: Susan Pohl, Ann Graves, Wesley Degenhart, August Gentz, Bruce Hedlund, Douglas Evely, Steven Gee.

Orchestra—**Row 1:** Judy Chapman, Vicki Anderson, Mary Gouwens, Jack Reaugh, Barbara Anderson, Janet Woosnam, Linda Dybas. **Row 2:** Ted Kanellakes, Annette Spencer, Susan Pond, Pat Cent, Karen Greiner, Barbara Hoffmeyer. **Row 3:** Richard Boland, Robert Lucas, Ronald Swenson, Phil Hohmann, John Patterson, Dudley Hopkins, Dave Walvoord, James Walenga, Glenn Swanson, John Fyler, Kendall Houk, Skip Herr, Norma Wills, Diane Reeder. **Row 4:** Roger Stenberg, Virginia Peterson, Marlene Wood, Dave Nelson, Bob Steder, Donna Schindler, Len Lagestee.

TTHS Orchestra

Orchestra is another big part of Thornton's music department. The group, directed by Miss Charlotte Chambers, serves as a training ground for the study and appreciation of concert music. The Orchestra plays for high school and junior college activities and in department concerts.

Thorntoneers

TTHS has its own dance band, the Thorntoneers. They furnish the music for all of the Purple X dances and for many of the dances and parties given by other organizations in the school. Richard Boland, a senior, is their leader this year. New uniforms, stands, and risers were purchased this fall.

Thorntoneers—**Row 1:** John Patterson, Robert Lucas, Richard Boland, Phil Hohmann, Ronald Swenson. **Row 2:** Everett Evans. **Row 3:** Roger Reynolds, Gary Pruitt, Dennie Sparger, Roger Stenberg, Gene Roeder, Bill DeVries, Kendall Houk.

Mr. Dennis Marshall

Choral Groups expanded,

Mixed Chorus, Thornton's largest advanced choral group, is composed of upperclassmen who have had experience in other glee clubs. Mr. Walter Armbruster is director.

From the more outstanding voices in the chorus twelve are chosen each year to be a special group known as the Madrigal Singers. They sing for community programs as well as at school affairs and have a special feature at Christmas time when they dress in mid-nineteenth century costumes.

Mixed Chorus

Row 1: Alice Cole, Mary Schroeder, Mary Toborg, Renee Logan, Phyllis Chadwick, Carole Francis, Gwendolyn Sanders, Ann McCaghey, Joyce Robinson, Pat Wilson, Margaret Parks, Virginia Peterson, Diane Simonsen, Peggy Strout, Beverly Agler, Carol Van Kley. **Row 2:** Mary Adams, Sharon Thyer, Donna Kaur, Karen Brown, Sally Padgett, Jack Reaugh, William Foster, Robert Foster, Fred Stuart, Wanda Mullins, Sandy Smith, Annette Hula, Judy Harris, Monica Gillmore. **Row 3:** Mary Short, Sally Toigo, Beth Belmore, Judy Decker, Donna Lowenberg, Linda Thornton, Peggy Rotkvic, Vera Higginson, Pat Strout, Linda McClintock, Judy Beck, Jackie Myers, Arma Lyles, Mary Rowe, Myrna Anderson, Janice Bonnema. **Row 4:** Adele Herdt, Judy Olsen, Robert Niebert, Dennis Marshall, Brad

more popular than ever.

This year was not the first one for dividing the *Girls Glee Club* into two sections, but with the increased enrollment that demanded a shift system, both sections were larger than before.

For concert appearances, the girls wore red skirts, white blouses, and little red bouquets.

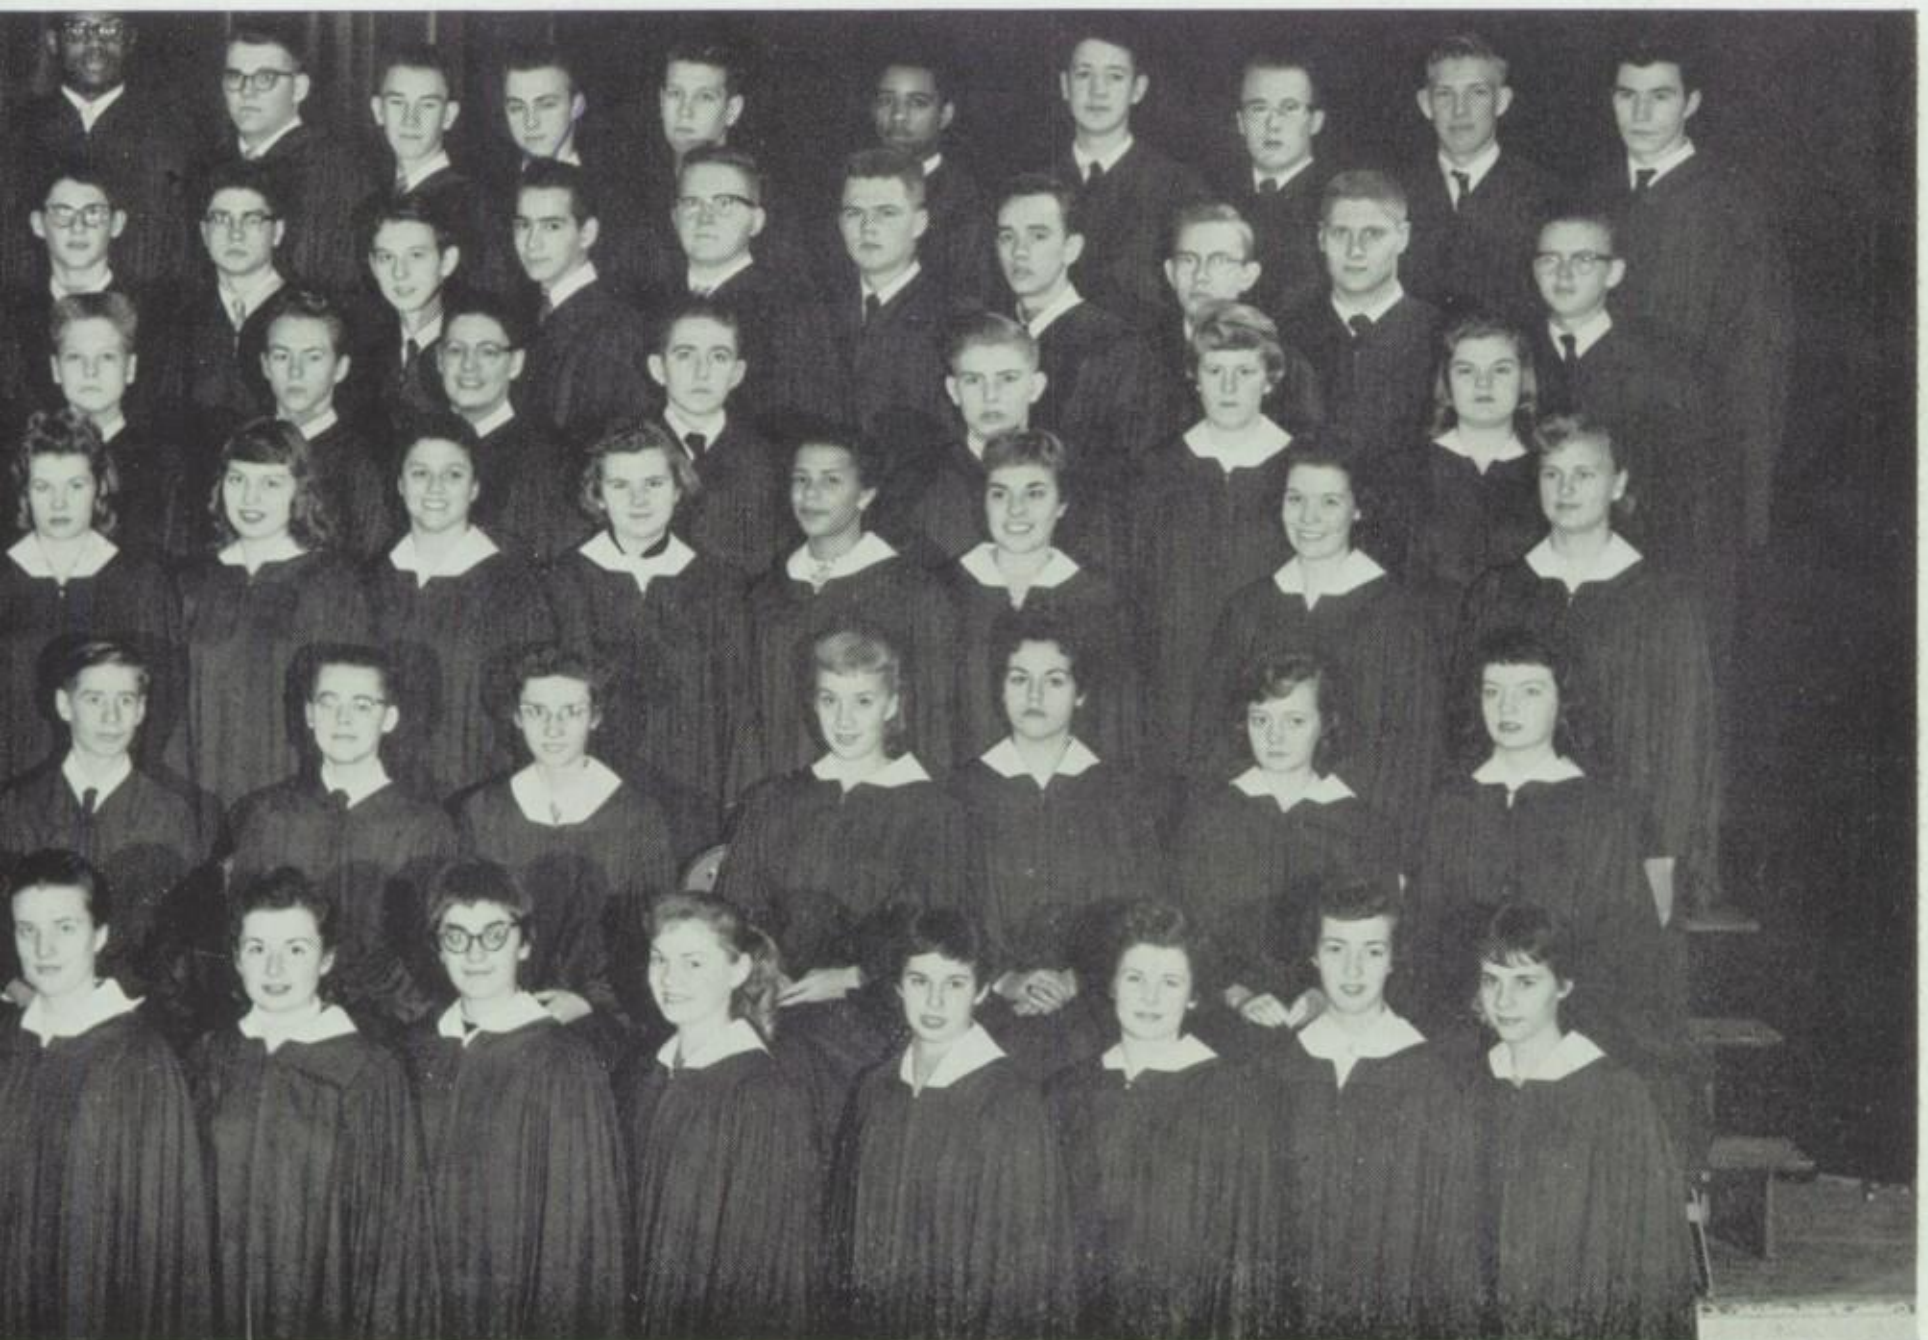

In contrast to the dark robes of the Mixed Chorus, the *Girls Choir* have white robes with purple stoles, new last year. Like the Chorus, they are an advanced group of singers.

Outstanding voices from the Girls Choir are chosen for a special group known as the *Keydets*. Miss Thompson directs them, as she does all the girls choral groups.

Freshman girls get early training in choral music through a glee club of their own.

For members of the *Boys Glee Club*, wearing of white shirts and neckties is sometimes a struggle, but they always manage for concert appearances or for yearbook pictures. Mr. Armbruster directs.

Dr. James D. Logsdon

The Superintendent

Dr. James D. Logsdon is Thornton's new superintendent. He was appointed to fill the vacancy created by the resignation of Dr. Ernest M. Hanson, superintendent at TTHS for five years.

Before coming to Thornton, Dr. Logsdon was the principal of Shorewood High School in Shorewood, Wisconsin, for eleven years. He received his degree of Bachelor of Education from Illinois State Normal and his Master of Arts and Doctor of Philosophy from the University of Chicago.

Because he was formerly principal of the Whittier Grade School in Harvey, he came to TTHS already well acquainted in the community.

Assistant Superintendent

Mr. James L. Beck, B.S. in Ed., B.A., M.A.

His Assistant

Mr. James L. Beck, formerly dean of Thornton Junior College, was chosen last year to be acting superintendent when Dr. Hanson became ill.

When the new superintendent was selected, Mr. Beck became his assistant. His many jobs include conferring with new members of the staff and hiring substitute teachers, as well as serving as an adviser to the new junior college dean.

The Board

The Board of Education is responsible for the welfare of Thornton. It is their job to see that the facilities of the school are adequate each year for the increased enrollment. Members of the board are chosen in public election.

This year the board is mainly concerned with Thornton's big expansion program which includes a second high school now well under way in Dolton, and the construction of the new Industrial Arts building and the new wing on the old building.

Board of Education

Dr. Frederick Weiss, Mr. Harold J. Gouwens, Mr. Robert H. Reese, Mr. William B. Kane, president, Mr. Fred T. Ehlert, Mr. Herbert G. Greiner, Mr. Henry Vandenberg.

Business Manager

In the office of the school business manager is done the bookkeeping for all student organizations of TTHS as well as for all departments of the high school and junior college. The manager acts as the purchasing agent for the maintenance department, for the Board of Education, and for the faculty department heads. He is also secretary to the Board and manager of the bookstore.

Business Manager

Mr. J. Alden Peterson, B.A., M.S.

School Counsel

Two men handle the legal and financial problems of Thornton. They are Mr. Burton Evans, the school attorney, and Mr. A. F. Waldschmidt, township treasurer. Mr. Evans has served as legal advisor for nineteen years.

Mr. Waldschmidt takes care of Thornton's financial problems, such as district records, bills, and pay roll. He has held the post for twenty years.

School Counsel

Mr. Burton Evans, Mr. A. F. Waldschmidt.

Dean of Girls

The dean of girls is head of the Girls Club and its numerous social and welfare activities. She works directly with the officers of the club in planning the year's program and coordinates their work with that of similar clubs in other schools.

She plays an important part in the guidance of Thornton students, for she counsels girls on personal affairs or on their academic problems.

Dean of Girls

Miss Helene E. Wilson, B.A., M.A.; English; Purple X Committee; Sponsor, Girls Club.

Dean of Boys

Thornton's new dean of boys is Mr. Arnold F. Koester, for several years dean of men in Thornton Junior College. As a counselor for Thornton boys, he meets with them individually or in groups.

As head of the Boys Club, he oversees their big project, the Hall Guard Organization. With the dean of girls he helps coordinate the work of two of Thornton's major student groups.

Dean of Boys

Mr. Arnold F. Koester, M.A.; German, Psychology.

Freshman Principal

Mr. G. R. Valbert, M.S.; General Science.

Senior Principal

Mr. Guy Phillips, B.A., M.A.; Mathematics.

Class Principals

Need help in planning your four-year program? Ask your class principal. He knows the answers.

Each man is responsible for the activities of one class and works with his officers and senators to plan assemblies, elections, and social affairs. With the aid of his assistants he handles matters of discipline and absences. Under the present system the freshman principal remains the same, but the others advance with their groups.

Junior Principal

Mr. John E. Tilton, B.S., M.A.; Mathematics; Sponsor, Key Club.

Sophomore Principal

Mr. C. L. Beier, B.Ed., M.S.; Physics.

Row 1: Ralph R. Rowe, president; Fannie Mae Bartman, secretary; Elizabeth Brushfield, treasurer; Henry R. Harms, vice-president. **Row 2:** Sarah Barmore, Florence Wunderlich, Harold R. Fuller, board.

Faculty Association

Faculty, Parent-Teachers Associations

The Faculty Association carried on "business as usual" although the shift schedule made meetings difficult for committees and the group as a whole. The Credit Union, one of the sponsored activities, became increasingly popular.

The Parent-Teacher Association, besides keeping up the national aim of maintaining good relations between parent and teacher, sponsored money-making projects for student aid and college scholarships.

Office, Cafeteria Staffs

To keep Thornton running properly, the office staffs do a variety of jobs. Besides typing, book-keeping, running the switchboard, and receiving visitors, they score tests, keep records and help organizations with their problems.

Imagine cooking 130 pounds of potatoes a day! That's just one of the jobs of the cafeteria staff. Fourteen women, plus thirty-four student helpers, feed over a thousand students each day.

Office 104—Miss Dora Harthun, Miss Marian Finchum, Mrs. Ruth Haase, Miss Ruth Ross.

Office 103—Miss Anna Mae Klotz,[†] Mrs. Ruby Norton, Mrs. Leona Wiener,[‡] Mrs. Marie Hallman.

Business Office—Miss Harriet Burton, Mrs. Eileen Steedman.

Cafeteria—Row 1: Adeline Jacobson, Martha Thompson, Mary Machel, Mabel Koepping, Gerene Moore. Row 2: Jessie Lyon, Edna Young, Rose Leppert, Marjorie Davis, Arminto Rosebough, Luella Livers, Pearl Willmer, Hazel Rothenberger, Ruth Ahrens.

Building Superintendent—Mr. Howard Doster, Mrs. Irene Williams.

Maintenance Crew

Locker trouble, shade fall, lights go out? Call the Maintenance Department. Need tables or chairs, chalk, erasers? Call Maintenance.

Forty men and women, plus the building superintendent and his secretary, make up the staff. Some are specialists in carpentry, electricity, heating; others are needed for the daily clean up in classrooms, halls, and rest rooms. Grounds as well as buildings need up-keep, too.

Custodians—Row 1: John Blake, Rose Ryktarczyk, Wilmouth Lockhart, Beauton Williams, William Bachar, James Thompson, Henry Wilhoit, Ed Haines. Row 2: Floyd Jones, Louis Arnold, Frank Chmielewski, Adam Stojak, Earl Estes, Ralph Green, Joe Liptok, Curt Wilson, Don Wilson.

Bowling League—Miss Thiel, Mr. Lilley, Miss Gray, Miss Coffland, Miss Sowers, Mr. Britton, Miss Sundstrom, watching. Mr. Lercher, bowling.

Play Practice—Mr. Essen shows how it's done, to Dennis Karwatka, Forrest Tellis, and Bob Havice.

Faculty enjoy life.

Teachers are people, believe it or not, and they have fun. Two bowling leagues played this year, meeting Wednesday afternoons and Thursday evenings. There was a weekly swim night for faculty and their families. A get-acquainted picnic in the fall, a mid-year Fun Night, and the annual Faculty Association dinner were on the social calendar. A tea for student members of Future Teachers of America became an annual affair. Morning coffee was popular.

Coffee Break—Miss Henderson, Miss Ford, Mrs. DeGroot, Mr. Barwis, Mr. Hayse, Miss Coffland, Mrs. Tomlinson.

FTA Tea—Mary Schroeder, Mr. Watkins, Miss Comegys, Carol Reckner, Marjory Tilton.

Senior Class Officers—Row 1: Tom Brand, 2nd vice-president; Jay Klompaker, vice-president; Judy Duckworth, secretary; Dave Blair, president. Row 2: Phil Balick, treasurer; Don Pebworth, asst. treasurer; Judy Wetmore, asst. secretary.

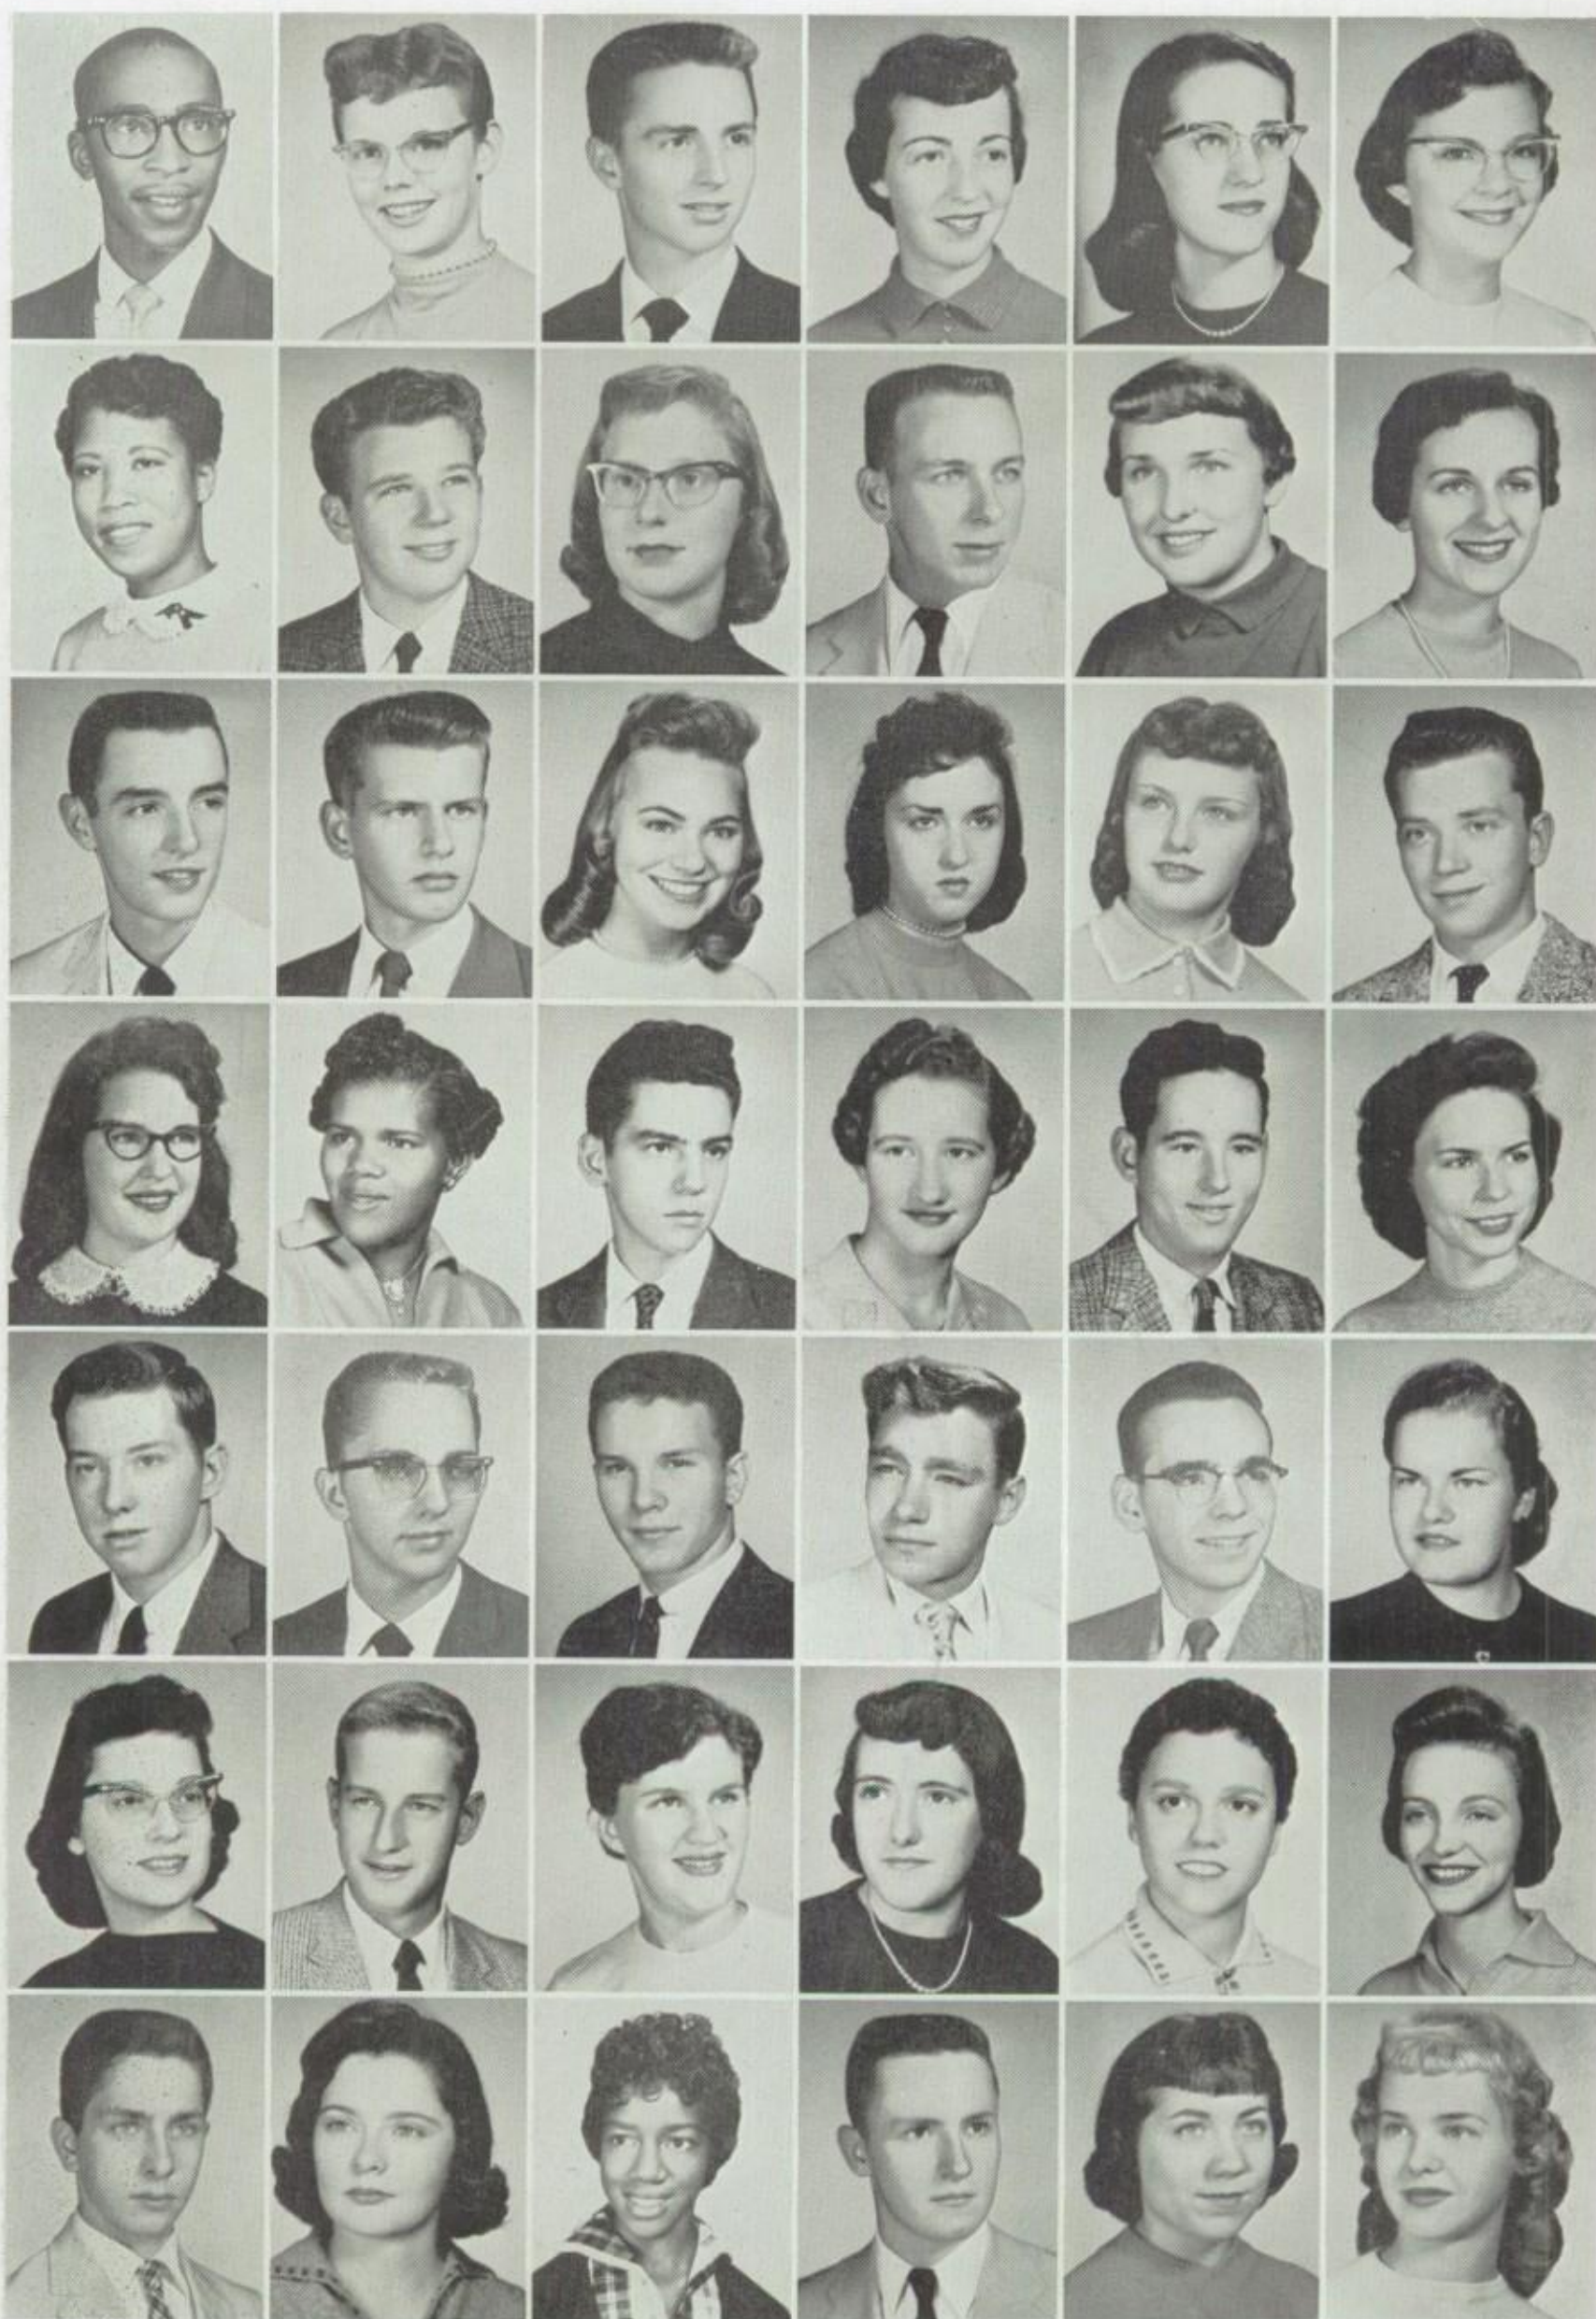

Seniors take a last look.

Four years at Thornton are practically at an end. What next? Plans for college, marriage, jobs, and the draft have been excitedly made. But back of them all is a little wish that the old life could go on a while longer. The school parties topped off by the Prom; the games won and lost as spectators agonized with squad; plans made and changed at Thornton's crossroads by the Lincoln statue—these were magic moments not to be recaptured but to be remembered.

Juniors join upper class ranks.

As soon as the juniors became upper classmen, they got into high gear. Stand-up, Homecoming, PX open houses, Boys and Girls Club play needed their energy and drive. They shone in athletics

and intramurals. They were represented in Thornton clubs and helped plan the biggest event of all—the Prom. Getting ready for their senior year, they selected their class ring and placed the orders.

JAY KOMPMAKER AND PHIL CROSLEY

Jay Klompmaker and Phil Crosley, T.T.H.S. Class of 1958, have worked as technicians at Wyman-Gordon Company's metallurgical and chemical testing laboratories during the school year. Using the finest equipment available, they supplemented their studies with the guidance of experienced chemists and engineers.

Soon to enter the Illinois Institute of Technology, they will study metallurgy under a cooperative scholarship sponsored by Wyman-Gordon Company.

Both outstanding students, Jay and Phil are fine examples of the technical potential in America's youth. They are also a credit to their high school. THORNTON HAS SERVED US WELL.

Purple X Open House

Purple X Dances

Listen, my children, and you shall hear
Of a world-shaking day in a far-away year,
'Twas in nineteen hundred and thirty-seven
When the thought of going straight to heaven
Right after the basketball games and such
Seemed to please Thornton students much.
For as soon as the final whistle blew
And they wanted something else to do,
They'd dash to the street, and with absolute scorn,
(Ignoring each motorist's shrill-blasting horn)
Would snake-dance through town, all hands clasped tight,
And often continue far into the night.
However, their imminent heav'n-ward ascension
Was luckily stopped by the quick intervention
Of the deans and the students and P.T.A. too,
Who met to decide just what Thornton should do.
And out of these meetings came Thornton's big chance—
The idea of having a Purple X Dance.
Though twenty-one years have gone by since that day,
Purple X is still here and, we hope, here to stay,
And bringing the Purple X history to date
We wish the best fortune to Class '58.

My Darling Chris,

Looking back through this year I can remember the many good times we've had together. Remember how we had such a hard time getting together last September and how I snapped out of my infatuation on October 3? Then comes October 18, the sweetest day of the year, and the day that I'll keep ^{or} in my heart forever. How about all those basketball games we spent in the locker room and all the P X's we spent 'together'? I don't think I'll ever forget the Thornton-Bloom game, how

Walker

a little bit wet, and then we sat in the corner on the hard cement to see the rest of it.

I think of all the times we've broken up. Man, either we're meant to stay together or we enjoy giving each other a hard time. Think also of the two guys you broke up with to go with me. Boy, bet that made them pretty mad!!

163rd and Cicero Ave.

OAK FOREST, ILLINOIS

Say, what about those three big dances at school where you had to put up with my crummy dancing and crummy transportation for two of 'em? Really though, I wouldn't have wanted to be with anyone else.

284

I guess we're kind of stuck together and that I don't mind one little bit!! How 'bout you?

Remember March 8, after that dance in
Holtton where you had such a good time (ha-ha)
with Nick Noble? If you don't, that's
Best Wishes
when you talked me into getting a copy-
right for "Chris". I'm sure glad that you did,
otherwise I might still be waiting for ~~someone~~
someone to steal it from me.

Class of 1958

Just remembered all of those anniversary
gifts I've given you. You sure have a way
of draining my billfold! (I'm just kiddin'
though, I've got it to spend!)

BLISS AND LAUGHLIN

Well, beautiful, I'd better get rollin'!
So when you're a big time novel writer
in some penthouse in New York City, send me
a three cent postcard some Oct. 18 and tell
me you still think of me to some little
dive where I'll be working for fifteen
dollars a night.

I wish you loads of success and I
thank you for the many good times
I've been able to have shared with me.

Renée Lagan

Dear Chris,
Well, this year is almost
over. It's too bad isn't it?
We've had so much fun together.

Congratulations

to the

Class of 1958 met. It was at Art's. I didn't
realize then, what good friends we
would be. I'm very glad that you
are going "steady" with Denny. I think
he's a real swell kid. I only wish he
thought the same of me.

Maybe someday Bill & I
will be the same way. Do you ever think
that will happen? I can't seem to
find any more words so I'll sign off.

Best of Luck & Loads of fun this
summer. Just be as nice as you
are now and you'll always succeed
in whatever you
do.

Dear Chris.

Well, now, another year has gone by & I can honestly say it's been great fun. Swimming was really fun with you there. For two years now we've been the best of friends & I sincerely hope we will continue our friendship throughout the rest of our year at Thornton and even after. I wonder what our kids will look like.

Good luck always.
